Comptes rendus de l'Académie des sciences Vintage

Dictionnaire dans lequel la dimension encyclopédique n'est pas exclue malgré l'absence des noms propres. L'ouvrage a pour objectif de résoudre les difficultés de langage de la vie quotidienne. Aux 51200 articles s'ajoutent quelques tableaux et un guide grammatical de 34 pages. L'orthographe a été l'objet d'un soin particulier. Les définitions sont assez souvent accompagnées d'exemples. La nomenclature est assez étendue, compte tenu des dimensions de l'ouvrage. Aux mots courants s'ajoutent des termes spécialisés, scientifiques, "régionaux" (rares canadienismes) et un nombre surprenant de mots anciens ayant conservé un intérêt historique ou documentaire (feestibale, hapax).

The Matisse Stories The Location Group

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Wentworth Press

The first Worldwide Retail Market Study carried out by the Location Group examined the 65 most noteworthy international fashion capitals, together with Switzerland, Germany and Austria on 500 pages. As part of this study, 850 retailers, 600 High Streets and 450 shopping centres were put under the microscope. 53 newcomers to Zurich's Bahnhofstrasse were described in the 10-year report.

Laws, decrees, and administrative acts of government.

Le Bazar Brazil

These three stories celebrate the eye even as they reveal its unexpected proximity to the heart. For if each of A.S. Byatt's narratives is in some way inspired by a painting of Henri Matisse, each is also about the intimate connection between seeing and feeling--about the ways in which a glance we meant to be casual may suddenly call forth the deepest reserves of our being. Beautifully written, intensely observed, *The Matisse Stories* is fiction of spellbinding authority. "Full of delight and humor...The Matisse Stories is studded with brilliantly apt images and a fine sense for subtleties of conversation and emotion."--San Francisco Chronicle

Chapeau!

Twelve Years a Slave (1853) is a memoir and slave narrative by Solomon Northup, as told to and edited by David Wilson. Northup, a black man who was born free in New York, details his kidnapping in Washington, D.C. and subsequent sale into slavery. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who were in turn able to secure his release. Northup's account provides extensive details on the slave markets in Washington, D.C. and New Orleans and describes at length cotton and sugar cultivation on major plantations in Louisiana.
