Elements of French Grammar Grasset

Reprint of the original, first published in 1871. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

A Grammar of the French Language Hodder Education

This book explains the postcolonial nationalism theory of Morocco focusing on the nation's membership application to the European Economic Community (EEC) in 1987 through the initiatives of King Hassan II. The project examines why states, such as Morocco, that have been geographically beyond the classical European borders felt European in terms of self-identity. The author uses a comparative approach, studying Tunisia, Algeria, Malta, Cyprus, to postulate why these states have opted not to apply for EEC. This work brings a new approach to the Europe-Africa relations and revisits the concept of the European enlargement.

First Lessons in French Springer Nature

Peut-on, comme Josué, arrêter la course du soleil ? Les morts sont-ils encore jaloux ? Pourquoi Marlon Brando écrivait-il des cartes postales qu'il n'envoyait à personne ? En quelle circonstance un débauché peut-il s'abandonner au fanatisme religieux ? Quels rapports y a-t-il entre Churchill, Alain Delon et un jeune berbère qui voudrait apprendre à nager ? Qui a inventé le monothéisme amoureux ? Et à quel instant, au juste, franchit-on la ligne de démarcation qui sépare la fin de la jeunesse du reste de la vie ? Telles sont, entre beaucoup d'autres, quelques unes des questions que se posent les héros de ce roman dont l'intrigue éclatée va et vient autour d'un lieu unique : le Palais de la Zahia (ce mot, en arabe, désigne la joie), situé quelque part, au sud, près d'un désert... Dans ce Palais - splendide, nécosé, envahi par la végétation et les souvenirs - quelques amis, plutôt bien traités par l'existence, ont pris l'habitude de se retrouver dans une ambiance riieuse. Il y a là, parmi des créatures sexuellement très diversifiées, deux amis : un narrateur (très influencé par les livres de Stendhal et les films de Maurice Ronet) et un certain Lewis, riche, célèbre, philosophe et épris d'Ariane, son épouse rêveuse. Est-il nécessaire d'en dire davantage ? Ce roman - rythmé par une série d'interrogatoires confiés à un enquêteur énigmatique - revisite ainsi, dans un grand désordre de sensations et de péripéties: 1/ l'histoire d'une amitié 2/ La mémoire d'un Palais trop fréquenté par ses propres fantômes 3/ La chronique d'une passion clandestine avec une jeune veuve qui n'a pas froid aux yeux 4/ la lutte des uns et des autres contre le temps et ses alliés (haine, tempêtes de sable, solitude, vanité, peur, envie...) Bien entendu, il s'agit d'un roman. Et il va de soi que toute ressemblance avec des personnes existantes, etc, etc...

The Wellington College French Grammar

This introductory book to French is intended for the first and second years in high schools and for the first year in colleges. It is meant above all to be a practical book. The author does not call it a grammar, for he believes that a grammar should be comprehensive and used as a book of reference. -- Preface.
