EMMALEE ROSA

JAIIB - Legal and Regulatory Aspects of Banking Macmillan John Banville's stunning powers of mimicry are brilliantly on display in this engrossing novel, the darkly compelling confession of an improbable murderer. Freddie Montgomery is a highly cultured man, a husband and father living the life of a dissolute exile on a Mediterranean island. When a debt comes due and his wife and child are held as collateral, he returns to Ireland to secure funds. That pursuit leads to murder. And here is his attempt to present evidence, not of his innocence, but of his life, of the events that lead to the murder he committed because he could. Like a hero out of Nabokov or Camus, Montgomery is a chillingly articulate, self-aware, and amoral being, whose humanity is painfully on display.

Principles And Practices Of Banking (2 Edition) : (For Jaiib Examinations) EduGorilla Community Pvt. Ltd.

From prehistoric bone flutes to pipe organs to digital synthesizers, instruments have been important to musical cultures around the world. Yet, how do instruments affect musical organization? And how might they influence players' bodies and minds? Music at Hand explores these questions with a distinctive blend of music theory, psychology, and philosophy. Practicing an instrument, of course, builds bodily habits and skills. But it also develops connections between auditory and motor regions in a player's brain. These multi-sensory links are grounded in particular instrumental interfaces. They reflect the ways that an instrument converts action into sound, and the ways that it coordinates physical and tonal space. Ultimately, these connections can shape listening, improvisation, or composition. This means that pianos, guitars, horns, and bells are not simply tools for making notes. Such technologies, as creative prostheses, also open up possibilities for musical action, perception, and cognition.

Throughout the book, author Jonathan De Souza examines diverse musical case studies-from Beethoven to blues harmonica, from Bach to electronic music-introducing novel methods for the analysis of body-instrument interaction. A companion website supports these analytical discussions with audiovisual examples, including motion-capture videos and performances by the author. Written in lucid prose, Music at Hand offers substantive insights for music scholars, while remaining accessible to non-specialist readers. This wide-ranging book will engage music theorists and historians, ethnomusicologists, organologists, composers, and performers-but also psychologists, philosophers, media theorists, and anyone who is curious about how musical experience is embodied and conditioned by technology.

General Bank Management : (For Caiib Examinations) Oxford University Press, USA

A Corporate Professional is required to equip himself with regard to corporate compliances on day- to-day basis. There are number of compliances which are required to be complied with depending on the event, whether it is incorporation / conversion / change, etc., not only from Company Law point of view but also from SEBI Regulations point of view (in case of a listed company). To assist the professional in this endeavour, this book is yet another attempt to provide all related procedures at one place along with the resolutions to make it handy and easy to use. The Book has been divided into two parts. Division-I contains Company Law Procedures of more than 115 events. Each procedure has been divided into following heads: - Applicable Section of the Companies Act, 2013 - Applicable Company Rule - Applicable Regulation in case of listed company - SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 - Synopsis (giving background of the section of the Companies Act, 2013) - Procedure (step by step, including various Government approvals and filing of Forms, etc.) - Compliance by a listed company in accordance with SEBI (LODR) Regulations, 2015 - Draft Board resolutions - Draft General Meeting resolutions (Special/Ordinary resolution) Division-II contains updated Company Rules as issued by the Ministry of Corporate Affairs from time to time and which are referred under various procedures of the Book.

English Legal Terminology Oliveboard

The second edition of Legal Aspects of Business: Texts, Jurisprudence, and Cases is a comprehensive textbook designed especially for postgraduate students of business management. It presents a complete, all inclusive jurisprudence and supplements the concepts with numerous cases, exercises, and profiles of legal luminaries. The book is divided into six parts. Part I introduces the reader to Business Jurisprudence. As the contract law is foundation to all business laws, Part II, Commercial Jurisprudence, on Mercantile Law discusses the Indian Contract Act, 1872 and its features at length. The Sale of Goods Act, 1930, the Negotiable Instrument Act, 1881, The Indian Partnership Act, 1932, the Companies Act, 2013, and the Competition Act, 2002 are also covered in depth. Part III, Financial Jurisprudence, covers the laws related to finance and banking at length. Part IV, Labour and Industrial Jurisprudence, covers the laws related to wages, workers' social security, and industrial relations. Part V, Aspects of New Economy and Jurisprudence, throws light on laws related to information and communication, intellectual property rights, and environment protection. Part VI, Judicial and Social Jurisprudence, is devoted to business and criminal liability and basic rights and business. The book also offers valuable insights to practitioners to arrive at legally sound decisions in various business situations.
