RANDY CALLAHAN

Lost and Found Bantam
Press

Richard Price, Academy
Award nominated
screenwriter and

mainstream author of The Wanderers says, "I read through [Lost Boys of the Bronx] in one sitting - It was GREAT!" Straight from the streets of the mid-1960s Bronx comes a book about one of the borough's most feared

gangs - The Ducky Boys. While their unusual name alone might contradict their reputation, in the Norwood/Bainbridge section of the Bronx their appearances provoked an ominous dread. So much so, that when Richard

Price needed inspiration for a terrifying gang in his novel (and later movie) *The Wanderers*, he knew exactly which gang to choose. *Lost Boys of the Bronx* tells the story of the Ducky Boys in their own words. It is a story of how a few pre-teen kids in the Botanical Gardens turned into a gang of hundreds - and a gang so alarming that rumors of their arrival would shut down local schools. This is also a study of the mostly Irish Bronx neighborhood in which the Ducky Boys were born, and where so

many of the Ducky kids got caught up in the tumultuous times of the '60s where their fierce loyalty was the only thing that got them through. This is not your typical gang book. It neither praises nor demonizes the gang for the things they did, but rather simply reports what happened - warts and all. You'll see the truth behind the Ducky Boys' gang - their lives, their loves, their pranks and crimes, and so much more. To borrow from a particular product's slogan - with a

name like the Ducky Boys, you knew they HAD to be tough.

Lost Boy Lost Girl

Houghton Mifflin Harcourt

From the national bestselling author of *Alice* comes a familiar story with a dark hook—a tale about Peter Pan and the friend who became his nemesis, a nemesis who may not be the blackhearted villain Peter says he is... There is one version of my story that everyone knows. And then there is the truth. This is how it happened. How I went from being Peter

Pan's first—and favorite—lost boy to his greatest enemy. Peter brought me to his island because there were no rules and no grownups to make us mind. He brought boys from the Other Place to join in the fun, but Peter's idea of fun is sharper than a pirate's sword. Because it's never been all fun and games on the island. Our neighbors are pirates and monsters. Our toys are knife and stick and rock—the kinds of playthings that bite. Peter promised we would all be young and happy

forever. Peter lies. **The Lost Boy** Henry Holt and Company (BYR) This literary biography is “a story of obsession and the search for pure childhood . . . Moving, charming, a revelation” (Los Angeles Times). J. M. Barrie, Victorian novelist, playwright, and author of *Peter Pan*, or *The Boy Who Wouldn't Grow Up*, led a life almost as interesting as his famous creation. Childless in his marriage, Barrie grew close to the five young boys of the Davies family, ultimately becoming their

guardian and surrogate father when they were orphaned. Andrew Birkin draws extensively on a vast range of material by and about Barrie, including notebooks, memoirs, and hours of recorded interviews with the family and their circle, to describe Barrie's life, the tragedies that shaped him, and the wonderful world of imagination he created for the boys. Updated with a new preface and including photos and illustrations, this “absolutely gripping” read reveals the dramatic

story behind one of the classics of children’s literature (Evening Standard). “A psychological thriller . . . One of the year’s most complex and absorbing biographies.” —Time “[A] fascinating story.” —The Washington Post
Lost Boy Vintage Crime/Black Lizard
 In the polygamous Fundamentalist Church of Jesus Christ of Latter-day Saints (FLDS), girls can become valuable property as plural wives, but boys are expendable, even a liability. In this powerful

and heartbreaking account, former FLDS member Brent Jeffs reveals both the terror and the love he experienced growing up on his prophet’s compound—and the harsh exile existence that so many boys face once they have been expelled by the sect. Brent Jeffs is the nephew of Warren Jeffs, the imprisoned leader of the FLDS. The son of a prominent family in the church, Brent could have grown up to have multiple wives of his own and significant power in the

10,000-strong community. But he knew that behind the group’s pious public image—women in chaste dresses carrying babies on their hips—lay a much darker reality. So he walked away, and was the first to file a sexual-abuse lawsuit against his uncle. Now Brent shares his courageous story and that of many other young men who have become “lost boys” when they leave the FLDS, either by choice or by expulsion. Brent experienced firsthand the absolute power that church leaders wield—the

kind of power that corrupts and perverts those who will do anything to maintain it. Once young men no longer belong to the church, they are cast out into a world for which they are utterly unprepared. More often than not, they succumb to the temptations of alcohol and other drugs. Tragically, Brent lost two of his brothers in this struggle, one to suicide, the other to overdose. In this book he shows that lost boys can triumph and that abuse and trauma

can be overcome, and he hopes that readers will be inspired to help former FLDS members find their way in the world. Lost Boy No More Random House
In 2000 the United States began accepting 3,800 refugees from one of Africa's longest civil wars. They were just some of the thousands of young men, known as "Lost Boys," who had been orphaned or otherwise separated from their families in the chaos of a brutal conflict that has ravaged Sudan since

1983. The Lost Boys of Sudan focuses on four of these refugees. Theirs, however, is a typical story, one that repeated itself wherever the Lost Boys could be found across America. Jacob Magot, Peter Anyang, Daniel Khoch, and Marko Ayii were among 150 or so Lost Boys who were resettled in Atlanta. Like most of their fellow refugees, they had never before turned on a light switch, used a kitchen appliance, or ridden in a car or subway train—much less held a

job or balanced a checkbook. We relive their early excitement and disorientation, their growing despondency over fruitless job searches, adjustments they faced upon finally entering the workforce, their experiences of post-9/11 xenophobia, and their undying dreams of acquiring an education. As we immerse ourselves in the Lost Boys' daily lives, we also get to know the social services professionals and volunteers, celebrities, community leaders, and

others who guided them—with occasional detours—toward self-sufficiency. Along the way author Mark Bixler looks closely at the ins and outs of U.S. refugee policy, the politics of international aid, the history of Sudan, and the radical Islamist underpinnings of its government. America is home to more foreign-born residents than ever before; the Lost Boys have repaid that gift in full through their example of unflagging resolve, hope, and faith. *Protecting What's Mine*

Createspace Independent Publishing Platform
Kimberly Willis Holt explores themes of divorce, acceptance, intergenerational friendship, and the power that comes with noticing in *The Lost Boy's Gift*, an insightful middle-grade novel. There are places where you want to go and places where you want to leave. There are also places where you want to stay. Nine-year-old Daniel must move across the county with his mom after his parents' divorce. He's leaving behind his whole

life—everything—and he’s taking a suitcase of anger with him. But Daniel is in for a surprise when he settles into While-a-Way Lane and meets his new neighbors—the Lemonade Girl, the hopscotching mailman, the tiny creatures, and especially Tilda Butter. Tilda knows how to look and listen closely, and it’s that gift that helps Daniel find his way in that curious place called While-a-Way Lane. This title has Common Core connections. Lost Boys Simon and

Schuster
Deep in a mystical wood, four clans of boys live in treehouses, their story lost in time and their pasts buried with it. Leonardo is a member of Raven Clan, the boldest and fiercest of the four clans. When clan hostilities erupt into a fully-fledged war, Leonardo is forced to make a choice that will determine the fate of everyone he cares about. *The Lost Boys* Simon and Schuster
A woman commits suicide for no apparent reason. A

week later, her son—fifteen-year-old Mark Underhill—vanishes. His uncle, novelist Timothy Underhill, searches his hometown of Millhaven for clues that might help unravel this horrible dual mystery. He soon learns that a pedophilic murderer is on the loose in the vicinity, and that shortly before his mother’s suicide, Mark had become obsessed with an abandoned house where he imagined the killer might have taken refuge. No mere empty building, the house

whispers from attic to basement with the echoes of a long-hidden true-life horror story, and Tim Underhill comes to fear that in investigating its unspeakable history, Mark stumbled across its last and greatest secret: a ghostly lost girl who may have coaxed the needy, suggestible boy into her mysterious domain.

Lost Boys Waterside Press

A startlingly original, genre-bending literary debut in which a lovesick college student is abducted by his future

selves. After Henry's girlfriend Val leaves him and transfers to another school, his grief begins to manifest itself in bizarre and horrifying ways.

Cause and effect, once so reliable, no longer appear to be related in any recognizable manner.

Either he's hallucinating, or the strength of his heartbreak over Val has unhinged reality itself.

After weeks of sleepless nights and sick delusions, Henry decides to run away. If he can only find Val, he thinks, everything will make sense again. So

he leaves his mother's home in the suburbs and marches toward the city and the woman who he thinks will save him. Once on the George Washington Bridge, however, a powerful hallucination knocks him out cold. When he awakens, he finds himself kidnapped by two strangers -- one old, one middle-aged -- who claim to be future versions of Henry himself. Val is the love of your life, they tell him. We've lost her, but you don't have to. In the meantime, Henry's best

friend Gabe is on the verge of breakdown of his own. Convinced he is somehow to blame for Henry's deterioration and eventual disappearance, Gabe is consumed by a potent mix of guilt and sadness. When he is approached by an enigmatic stranger who bears a striking resemblance to his lost friend, Gabe begins to fear for his own sanity. With nowhere else to turn, he reaches out to the only person who can possibly help him make sense of it all: Val. The Lost Boys

Symphony is a beautiful reminder of what it's like to be young, lost, and in and out of love for the very first time. By turns heartfelt and heartbreaking, Ferguson's debut novel boldly announces the arrival of a spellbinding new talent on the literary stage, in a master feat of empathy and multilayered storytelling that takes adventurous literary fiction to dizzying new heights.

Lost Boys AuthorHouse

One of thousands of children who fled strife in

southern Sudan, John Bul Dau survived hunger, exhaustion, and violence. His wife, Martha, endured similar hardships. In this memorable book, the two convey the best of African values while relating searing accounts of famine and war. There's warmth as well, in their humorous tales of adapting to American life. For its importance as a primary source, for its inclusion of the rarely told female perspective of Sudan's lost children, for its celebration of human resilience, this is the

perfect story to inform and inspire young readers.

Lost Boys Crown

Sudanese Garang is eight when he returns to his village and finds that everything has been destroyed. Soon, Garang meets other boys whose villages have been attacked and they unite, walking hundreds of miles to safety - first in Ethiopia then in Kenya. The boys face numerous hardships along the way, but their faith and mutual support help keep the hope of finding a new home alive

in their hearts. Based on heartbreaking yet inspirational true events, this is a story of remarkable and enduring courage, and an amazing testament to the unyielding power of the spirit.

The Last Piece of His Heart Grand Central Publishing

"Remarkable. What sets Lost Boys apart from the ordinary lament is the author's palpable sense of care and compassion."-- The Washington Post Book World Our national consciousness has been

altered by haunting images of mass slaughters in American high schools, carried out by troubled young boys with guns. It's now clear that no matter where we live or how hard we try as parents, our children are likely to be going to school with boys who are capable of getting guns and pulling triggers. What has caused teen violence to spread from the urban war-zones of large cities right into the country's heartland? And what can we do to stop this terrifying trend? James

Garbarino, Ph.D., Cornell University professor and nationally noted psychologist, insists that there are things that we, both as individuals and as a society, can do. In a richly anecdotal style he outlines warning signs that parents and teachers can recognize, and suggests steps that can be taken to turn angry and unhappy boys away from violent action. Full of insight, vivid individual portraits, practical advice and considered hope, this is one of the most important and original

books ever written about boys.

Pan Peter Decker and Rina Lazarus Series Joey Holloway is looking to the future Freshly married to her high-school sweetheart, Joey is excited for an uncomplicated life, free from the paranormal terrors she and Tristan have endured. But first, she must face her past She's never known where her unique supernatural abilities came from, and she also doesn't know anything about her father - could these be related?

The Dark National Geographic Books
 Nate's not happy about his family moving to a new house in a new town. After all, nobody asked him if he wanted to move in the first place. But when he discovers a tape recorder and note addressed to him under the floorboards of his bedroom, Nate is Silver Tears Ballantine Books

At age 14, author Justin Rollins went from being a bullied child to the leader of The Warriorz, a group of London street kids

involved in graffiti tagging and other crimes, including a series of violent encounters. Eventually given a substantial custodial sentence for an attack with a meat cleaver in the London Underground, Rollins became determined to steer other young people away from such a life. The Lost Boyz tells the story of Rollins' descent into a form of madness, in which self-destruction, anger, wanton behavior, and fear reside at the core. Never has a book taken the

reader so far inside the minds of troubled youths who gradually realize that there is no easy escape from their chaotic lifestyle. Their need - to gain respect from and stay credible with each other - stems from offending, alienation, living on the margins of society, and crazy behavior, all of which serve as barriers to rejoining the normal world and going straight. The book contains countless lessons for young **A Long Walk to Water** Yale University Press

New house, new school, new friends - but Matt Lanchester knows it won't all be that easy when he moves from Milton Keynes to Hay-on-Wye. Almost as soon as he arrives he is drawn into a mystery when he sees a roadside memorial marked by a little wooden cross with the initials M.L carved into it. His initials! Then he meets Robbo and Tig and Old Wil Jones and his wife, Gwynnie. There's history here and a well kept village secret - and Matt is desperate to find out more. His new

acquaintances are keener on taunting Wil - Wil, the murderer. But that's not Matt's style. Befriending Wil, and with a sense of a shadowy figure always close by, he learns about a tragedy in the past, helps set the record straight and finally lay to rest the ghost of boy he feels he's come to know. Linda Newbery effortlessly mixes the old with the new, the past with the present, tragedy with triumph as she writes about communities and individuals, facing challenges and being

accepted.

The Lost Boy Penguin

The twenty-sixth book in the hugely popular Peter Decker and Rina Lazarus series from New York Times bestselling author Faye Kellerman

The Lost Boys Symphony
Anchor

Perfect for fans of the NYT bestseller Sold on a Monday, this Southern historical novel based on the true story of a boy's mysterious disappearance examines despair, loyalty, and the nature of truth. In 1913, on a summer's day at Half Moon Lake,

Louisiana, four-year-old Sonny Davenport walks into the woods and never returns. The boy's mysterious disappearance from the family's lake house makes front-page news in their home town of Opelousas. John Henry and Mary Davenport are wealthy and influential, and will do anything to find their son. For two years, the Davenports search across the South, offer increasingly large rewards and struggle not to give in to despair. Then, at the moment when all hope seems lost,

the boy is found in the company of a tramp. But is he truly Sonny Davenport? The circumstances of his discovery raise more questions than answers. And when Grace Mill, an unwed farm worker, travels from Alabama to lay claim to the child, newspapers, townfolk, even the Davenports' own friends, take sides. As the tramp's kidnapping trial begins, and two desperate mothers fight for ownership of the boy, the people of Opelousas discover that truth is

more complicated than they'd ever dreamed. Father of the Lost Boys Harper Collins
 "[A] riveting account of a fishing boat and its four young crewman lost at sea in 1984 off the coast of Montauk in eastern Long Island--a "fishing town with a drinking problem," as the locals have it--and the stunning repercussions of that loss for the families and friends of the four missing men and, indeed, the entire storied summer community of the Hamptons"--

The Lost Boy Benevolence
The authorized biography of Pulitzer Prize-winning playwright Wendy Wasserstein. In *Wendy and the Lost Boys* bestselling author Julie Salamon explores the life of playwright Wendy Wasserstein's most expertly crafted character: herself. The first woman playwright to win a Tony Award, Wendy Wasserstein was a Broadway titan. But with her high-pitched giggle and unkempt curls, she projected an image of warmth and familiarity.

Everyone knew Wendy Wasserstein. Or thought they did. Born on October 18, 1950, in Brooklyn, New York, to Polish Jewish immigrant parents, Wendy was the youngest of Lola and Morris Wasserstein's five children. Lola had big dreams for her children. They didn't disappoint: Sandra, Wendy's glamorous sister, became a high-ranking corporate executive at a time when Fortune 500 companies were an impenetrable boys club. Their brother Bruce became a

billionaire superstar of the investment banking world. Yet behind the family's remarkable success was a fiercely guarded world of private tragedies. Wendy perfected the family art of secrecy while cultivating a densely populated inner circle. Her friends included theater elite such as playwright Christopher Durang, Lincoln Center Artistic Director André Bishop, former New York Times theater critic Frank Rich, and countless others. And still almost no one knew that Wendy was pregnant

when, at age forty-eight, she was rushed to Mount Sinai Hospital to deliver Lucy Jane three months premature. The paternity of her daughter remains a mystery. At the time of Wendy's tragically early death less than six years later, very few were aware that she was gravely ill. The cherished confidante to so many,

Wendy privately endured her greatest heartbreaks alone. In *Wendy and the Lost Boys*, Salomon assembles the fractured pieces, revealing Wendy in full. Though she lived an uncommon life, she spoke to a generation of women during an era of vast change. Revisiting Wendy's works—*The Heidi*

Chronicles and others—we see Wendy in the free space of the theater, where her many selves all found voice. Here Wendy spoke in the most intimate of terms about everything that matters most: family and love, dreams and devastation. And that is the Wendy of *Neverland*, the Wendy who will never grow old.
