CLARE BOOKER

Bulletin Stenhouse Publishers

This book offers a guide to medical English, and is addressed to healthcare professionals and students with an upper-intermediate level of English. It will also be useful as a handout for specialised English courses offered in medicine, nursing, and physiotherapy degrees, and can be used as a self-study book. The book is made up of four chapters, structured into three sections: namely, grammar, science, and phonetics. Each chapter reviews the main points of English grammar, and works with the vocabulary of the medical field. The book also provides students with basic knowledge of phonetics, which will help them to improve their listening and speaking skills.

This moose may live in the wild, but he doesn't act it † he watches from the sidelines as his friends have fun. From the creator of Big Bear Hug comes a lighthearted, contemporary fable about a mild-mannered moose who learns to live life to the fullest.

ESL Verbs (English as a Second Language) (Speedy Study Guides) Greenwood

Language Development: Grammar and Usage provides a variety of curriculum-correlated activities to help learners master in-depth the most important foundational skills of grammar and language usage. Valuable pre- and post-assessments aid teachers in individualizing instruction, diagnosing the areas where students are struggling, and measuring achievement, and support standards.

The backbone of Henle Latin Second Year is intensive language study, including review of the first year plus new materials. Separated into four parts, Henle Latin Second Year includes readings from Caesar's Commentaries, extensive exercises, and Latin-English vocabularies. Humanistic insight and linguistic training are the goals of the Henle Latin Series from Loyola Press, an integrated four-year Latin course. Time-tested and teacher endorsed, this comprehensive program is designed to lead the student systematically through the fundamentals of the language itself and on to an

appreciation of selected classic texts.

Making the Moose Out of Life The Rosen Publishing Group, Inc

This first Dutch for Reading Knowledge book on the market promotes a high level of reading and translation competency by drawing from Dutch grammar, vocabulary and reading strategies, and providing many translation "shortcuts" and tips when tackling complex texts in Dutch. Aimed at students, researchers and scholars who need to learn how to read and translate modern Dutch texts for their academic research, this book focuses on those areas where the Netherlands plays or has played a leading and innovative role in the world. These areas include architecture, art history, design, the Dutch Golden Age, (post)colonialism, (im)migration, social legislation and water management. For all areas the authors combine profound knowledge of the field with great expertise in teaching Dutch language and culture. This book can be used for a Dutch for Reading Knowledge course or curriculum, and is also highly suitable for self study.

Student's Handbook of English John Benjamins Publishing

If you are a teacher of grades K-6, you might be asking, "Should I teach grammar in my class on a daily basis? How would I go about doing this? And how can I teach grammar so it isn't boring to my kids?" In Grammar Matters, Lynne Dofman and Diane Dougherty answer these questions and more. Using mentor texts as the cornerstone for how best to teach grammar, this book provides teachers with almost everything they need to get kids not only engaged but excited about learning grammar. Divided into four parts--Narrative Writing, Informational Writing, Opinion Writing, and Grammar Conversations--this hand reference provides practical teaching tips, assessment ideas, grammar definitions, and specific mentor texts to help students learn about parts of speech, idioms, usage issues, and punctuation. Through "Your Turn Lessons," conversations, conferences, and drafting, revising, and editing exercises, students will learn not only specific concepts but also how to reflect upon and transfer what they have learned to other writing tasks, no matter the subject. The "Treasure Chest of Children's Books" provides an extensive list of both fiction and nonfiction books that fit naturally into grammar instruction. Eight appendices provide even more resources, including information on homophones, using mentor texts to teach grammar and conventions, checklists, comma rules, help for ELL students, and a glossary of grammar terms. Grammar Matters links instruction to the Common Core State Standards and features quality, classroom-tested tools that help teachers provide their students with the gifts of grammar and literacy.

State Course of Study for the Common Schools of Louisiana, 1905 Cambridge Scholars Publishing

Modern English Structures is a clear and accessible text that follows a structural approach to teaching basic English grammar. The book is divided into three parts: what a sentence constituent is, what a sentence constituent does, and where a sentence constituent goes—Form, Function, and Position. The objective of the book is to bring students to a better understanding of sentence constituents and sentence structures, providing them with appropriate terminology to discuss these forms and relationships. This second edition has been revised and updated throughout. The accompanying Modern English Structures Workbook parallels the text and provides useful training both in memorization and in higher-order thinking skills.
