Rajam Krishnan was a feminist Tamil writer from Tamil Nadu, India. Rajam Krishnan was born in Musiri, Tiruchirappalli district. She had very little formal education and appears to have been largely an autodidact. She started publishing in her twenties. She is known for writing well researched social novels on the lives of people usually not depicted in modern Tamil literature - poor farmers, salt pan workers, small-time criminals, jungle dacoits, under-trial prisoners and female labourers. She has written more than 80 books. Her works include forty novels, twenty plays, two biographies and several short stories. In addition to her own writing, she was a translator of literature from Malayalam to Tamil. In their anthology of Women's Writing in India in the 19th and 20th Century, Susie J Tharu and K Lalita credit Krishnan with "having set a new trend in Tamil literature," referring to the extensive research that Krishnan did in evaluating social conditions as background for her writing. In 1973, she was awarded the Sahitya Akademi Award for Tamil for her novel Verukku Neer. *Irandavathu Uyir!* New World Library

The Perfect Secret (A Jessie Hunt Psychological Suspense Thriller—Book Eleven) Orient Blackswan

In this era, curiosity of story has become like the mind. Incidents have become shallow. That is why in unnatural circumstances, after searching mystery of heart a big mistake had been inserted in the life of hero and heroine of the story—very cruel but interesting. The question of its psychology is that the ordinary women of our country are too much conditioned for their husbands, it is so deeply rooted inside their heart that they can easily condemn the trap of their first love, but for all these questions, answer is not same for everything. It is not impossible for a particular girl to be deeply conditioned with old rituals of society, in which the moment she gets information of her unknown husband, she immediately goes to her husband by leaving each bond. If bond and conditioning could have firmly run inside a woman's heart from both the sides till the end of the story, drama of story could be very sharp. The sign of tragedy would have a portrait inside heart, forever. Ramesh becomes the main vehicle of tragedy. His sorrows were not that much against his feelings, the way it was for the trap of the incident. Therefore, if reader says that writer is a sinner, I won't answer. I will only say that the part of the story which has a touch of poetry in explanation and agony, if there is no deficiency of juice in that part the author could maintain his fame in whole story of ?Nauka Dubi?, but this also I cannot say with full authority, because liking is changing every day.
