Since its inception as an art form, anime has engaged with themes, symbols and narrative strategies drawn from the realm of magic. In recent years, the medium has increasingly turned to

magic specifically as a metaphor for a wide range of cultural, philosophical and psychological concerns. This book first examines a range of Eastern and Western approaches to magic in anime, addressing magical thinking as an overarching concept which unites numerous titles despite their generic and tonal diversity. It then explores the collusion of anime and magic with reference to specific topics. A close study of cardinal titles is complemented by allusions to ancillary productions in order to situate the medium's fascination with magic within an appropriately broad historical context. *Puella Magi Madoka Magica: Homura's Revenge!* National Geographic Books

Manga Vision examines cultural and communicative aspects of Japanese comics, drawing together scholars from Japan, Australia and Europe working in areas as diverse as cultural studies, linguistics, education, music, art, anthropology, and translation, to explore the influence of manga in Japan and worldwide via translation, OEL manga

and fan engagement. The volume includes a mix of theoretical, methodological, empirical and professional practice-based chapters, examining manga from both academic and artistic perspectives. Manga Vision also provides the reader with a multimedia experience, featuring original artwork by Australian manga artist Queenie Chan, cosplay photographs, and an online supplement offering musical compositions inspired by manga, and downloadable manga-related teaching resources.

Twelve Years a Slave (1853) is a memoir and slave narrative by Solomon Northup, as told to and edited by David Wilson. Northup, a black man who was born free in New York, details his kidnapping in Washington, D.C. and subsequent sale into slavery. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who were in turn able to secure his release. Northup's account provides extensive details on the slave markets in Washington, D.C. and New Orleans and describes at length cotton and sugar cultivation on major plantations in Louisiana.
