## FRANKLIN AGUIRRE

### L'ange exilé

Walter de Gruyter  
This new edition (last, 1992) includes entries on some 500 musicians who were not included in the eighth edition (such as violin virtuoso Sarah Chang) and updates many others (such as composer John Cage, who died after the 8th edition was published). As before, entries also include musicians and

composers of the 1800s and artists from other musical genres whose work has significantly influenced 20th century classical music. A glossary of terms is included at the end of the volume. c. Book News Inc.

Sidney Chambers est le jeune pasteur de la petite

paroisse de Grantchester. Grand, brun, les yeux noisette et l'air rassurant, Sidney est un homme d'Eglise peu conventionnel qui peut aller là où la police ne le peut pas. Avec son ami, George Keating, inspecteur à Scotland Yard, il enquête sur le suicide d'un avocat de Cambridge, un scandaleux vol de bijoux perpétré lors d'une soirée de Nouvel An et une affaire de faux en art qui met l'un de ses amis en très grand

danger. Sidney découvre qu'un détective, comme un prêtre, doit avant tout savoir sonder l'âme humaine... So british sans jamais verser dans la caricature, s'inscrivant clairement dans la tradition du père Brown de Chesterton, ce délicieux mystery, premier volet d'une série récemment adaptée pour la télévision intitulée Grantchester, enchaîne de savoureuses

énigmes qui se dévorent comme des scones à l'heure du thé.

Angleterre, 1955. Le pasteur détective Sidney Chambers,

amateur de whisky, de jazz et de backgammon, est de retour. Toujours accompagné de son fidèle labrador et de l'inspecteur Keating, il enquête cette fois sur l'empoisonnement d'un joueur de cricket, l'incendie du studio d'un photographe de charme, et doit élucider — sur fond de guerre froide et de rivalité professorale — deux meurtres perpétrés au sein de l'université de Cambridge.

Parallèlement aux intrigues criminelles, les affaires de coeur ne manquent pas de le préoccuper : parviendra-t-il à choisir entre ses deux prétendantes, la sensuelle Amanda et la spirituelle Hildegard ?  
Amour, gloire de Dieu et homicides : tels sont les ingrédients de ce deuxième volet des "Mystères de Grantchester", avec lequel James Runcie poursuit les aventures du délicieux Sidney Chambers.

(Payot)  
**Illustrated London News**  
The first of the Grantchester Mysteries, and inspiration for the PBS/Masterpiece television series, finds Vicar Sidney Chambers beginning his career, as both a spiritual leader and a detective. It is 1953, the coronation year of Queen Elizabeth II . Sidney Chambers, vicar of Grantchester and honorary canon of Ely Cathedral, is a thirty-two-

year-old bachelor. Tall, with dark brown hair, eyes the color of hazelnuts, and a reassuringly gentle manner, Sidney is an unconventional clerical detective. He can go where the police cannot. Together with his roguish friend, inspector Geordie Keating, Sidney inquires into the suspect suicide of a Cambridge solicitor, a scandalous jewelry theft at a New

Year's Eve dinner party, the unexplained death of a jazz promoter's daughter, and a shocking art forgery that puts a close friend in danger. Sidney discovers that being a detective, like being a clergyman, means that you are never off duty, but he nonetheless manages to find time for a keen interest in cricket, warm beer,

and hot jazz- as well as a curious fondness for a German widow three years his junior. With a whiff of Agatha Christie and a touch of G. K. Chesterton's Father Brown, The Grantchester Mysteries introduces a wonderful new hero into the world of detective fiction. *Arts & Humanities Citation Index Essays for the Master's Degree*
