This sweeping, eighty-
year memoir is the last
work of veteran journalist
Israel Epstein
(1915-2005), one of the
very few Western writers
to experience the Chinese
Communist Revolution
firsthand. Born in Poland
and raised in China,
Epstein served as a war
correspondent from the
front lines of the Chinese
War of Resistance against
Japan, as well as during
the Communist-
Nationalist struggle.
Inspired by the immense
social revolution taking
place, Epstein took
Chinese citizenship, only
to be imprisoned during

the Cultural Revolution.
During this dark period,
Epstein found his ideals
challenged in ways he
never imagined, yet his
lifelong struggle for social
equality has never
wavered. This powerful
memoir resonates with
some of the twentieth
century's most turbulent
years and is a fascinating
read for anyone
interested in Chinese
history.

So Steady Simon and
Schuster
World War II presented
America's public libraries
with the daunting
challenge of meeting new
demands for war-related
library services and
materials with
Depression-weakened
collections, inadequate
budgets and demoralized
staff, in addition to
continuing to serve the
library's traditional
clientele of women and

children seeking
recreational reading. This
work examines how
libraries could respond to
their communities need
through the use of
numerous primary and
secondary sources.

what if we offered everything--our money (or lack of it), our triumphs, our problems, our desires--fully back to Love? What if this offering itself was actually the secret to abundance? Tosha Silver, internationally beloved spiritual guide, has created a practical and powerful financial book unlike any other. Leading you through a deeply transformative eight-week process, she shares the mental, emotional, and spiritual steps that anyone can take to learn to fully receive and prosper. Her step-by-step guidance is filled with prayers, meditations, and stories to help you find and heal the source of these fears and unworthiness. As you come to know you are part of something larger--something that you serve and that longs to serve you--you begin to feel a new sense of freedom and abundance. You yourself become a vehicle for Divine Flow.

Can an amateur detective solve the cold case mystery of her lost father's murder? In the winter of 1923, Professor Annalee Spain—a clever but overworked theologian at a small Chicago Bible college—receives a cryptic telegram calling her home to Denver to solve the mystery of the murder of her beloved but estranged father. For a young Black woman, searching for answers in a city ruled by the KKK could mean real danger. Still, with her literary hero Sherlock Holmes as inspiration, Annalee launches her hunt for clues, attracting two surprising allies: Eddie, a relentless young white boy searching for his missing father, and Jack, a handsome Black pastor

who loves nightclub dancing and rides in his sporty car, awakening Annalee's heart to the surprising highs and lows of romantic love. With their help, Annalee follows clues that land her among Denver's powerful elite. But when their sleuthing unravels sinister motives and deep secrets, Annalee confronts the dangerous truths and beliefs that could make her a victim too.

The Bookworm

Routledge
 Riddle me this... "I am neither dead, nor alive, and I'm not something little Madison can hide. But you will be dead, by the time this is done... the timer starts now, and the games have just begun..." Madison Montgomery comes from money and

power, but when someone close to her commits the ultimate crime, Madison must live with her tainted name for the rest of her life. When she begins Riverside Preparatory Academy, the private school her father has swept her into in The Hamptons, she hopes for a fresh start. What she wasn't hoping for was the pack of bad boys who run the school; ten, to be exact. When Madison gains the attention of their leader, Bishop Vincent Hayes, a whole new world that she didn't think existed is exposed to her. A whole world that starts and ends with The Elite Kings Club and these boys, are about to flip her world upside down. Secrets are overflowing and family lies are about to be exposed. Is there more to Madison Montgomery than even she knows? About this book: I need to admit something right now. The Silver Swan is f*cked. It might be the most insane story I've ever written with equally insane characters. Who knew? You know, when I started this book, it was supposed to be YA. I wanted to write a book that my sisters could read. A book that won't have people look at my mum like "damn...

what sort of messed up shit happened to your kid?." The angst, the assholiness, the games, the f**kery, the WHAT THE F**KING F**K ARE YOU DOING !!!... I cannot even.... anyway, this is a warning (and the only one I'll give you). It's crazy. I don't compare my work to my others, but this book is f**ked. It will most likely stomp all the f**k over people's hard limits (and not give a sh*t while it's doing it) and will make you second guess all the morals you thought you had. This most definitely is not looking like a love story right now... more like a..... I don't even.... anyway, I apologise now. You asked for it..

The Silver Swan

Createspace Independent Publishing Platform
Bestselling author Marisa Silver takes Dorothea Lange's Migrant Mother photograph as inspiration for a story of two women—one famous and one forgotten—and their remarkable chance encounter. In 1936, a young mother resting by the side of the road in central California is spontaneously photographed by a woman documenting migrant laborers in search of work. Few personal details are exchanged and

neither woman has any way of knowing that they have produced one of the most iconic images of the Great Depression. In present day, Walker Dodge, a professor of cultural history, stumbles upon a family secret embedded in the now-famous picture. In luminous prose, Silver creates an extraordinary tale from a brief event in history and its repercussions throughout the decades that follow—a reminder that a great photograph captures the essence of a moment yet only scratches the surface of a life.

Hear My Sad Story

Oxford University Press, USA

This spinoff of The Replacement Crush featuring Amy and Toff is sure to melt your heart. Shy bookworm Amy McIntyre is about to compete for the chance to interview her favorite author, who hasn't spoken to the press in years. The only way to win is to step out of the shadows and into the spotlight, but that level of confidence has never come easy. The solution? A competition coach. The problem? The best person for the job is the guy she's secretly crushing on...local surfer

celebrity Toff Nichols. He's a player. He's a heartthrob. He makes her forget basic things, like how to breathe. How can she feel any confidence around him? To her surprise, Toff agrees to help. And he's an excellent teacher. Amy feels braver—maybe even brave enough to admit her feelings for him. When their late night practices become less about coaching and more about making out, Amy's newfound confidence wavers. But does Toff really like her or is this just another lesson?

 Prepare to fall under the spell of "this sometimes whimsical, often insightful, always absorbing story" (Shelf Awareness) following two fiercely independent women and their truly magical friendship in a sleepy Southern town, from New York Times bestselling author of Karen Hawkins. Sarah Dove is no ordinary bookworm. To her, books live, breathe, and sometimes even speak. As the librarian in her quaint Southern town of Dove Pond, her gift helps place every book in the hands of the perfect reader. Recently, however, the books have been whispering about something out of the ordinary: the arrival of a displaced city girl named Grace Wheeler. If the books are right, Grace could be the savior Dove Pond desperately needs. The problem is, Grace wants little to do with the town or its quirky

residents—Sarah chief among them. But with a bit of urging, and the help of an especially wise book, will Grace ultimately embrace the challenge to rescue her charmed new community? "A mesmerizing fusion of the mystical and the everyday" (Susan Andersen, New York Times bestselling author), *The Book Charmer* is a heartwarming story about the magic of books that feels more than a little magical itself.

From the #1 New York Times bestselling author of *One Day in December* . . . When a double-booking at a remote one-room cabin accidentally throws two solace seekers together, it feels like a cruel twist of fate. But what if it's fate of a different kind? "A perfectly executed and quintessential romantic comedy."—Christina Lauren, author of *The Unhoneymooners* ONE OF THE MOST ANTICIPATED BOOKS OF 2022—PopSugar Spending her thirtieth birthday alone is not what dating columnist Cleo Wilder wanted, but she plans a solo retreat—at the

insistence of her boss—in the name of re-energizing herself and adding a new perspective to her column. The remote Irish island she’s booked is a far cry from London, but at least it’s a chance to hunker down in a luxury cabin and indulge in some self-care while she figures out the next steps in her love life and her career. Mack Sullivan is also looking forward to some time to himself. With his life in Boston deteriorating in ways he can’t bring himself to acknowledge, his soul-searching has brought him to the same Irish island to explore his roots and find some clarity. Unfortunately, a mix-up with the bookings means both have reserved the same one-room hideaway on exactly the same dates. Instantly at odds, Cleo and Mack don’t know how they’re going to manage until the next weekly ferry arrives. But as the days go by, they no longer seem to mind each other’s company quite as much as they thought they would. Written with Josie Silver’s signature charm, *One Night on the Island* explores the meaning of home, the joys of escape, and how the things we think we want are never the things we really need.

A Cup of Silver Linings

Simon and Schuster

In 2015, Bob Dylan said, "I learned lyrics and how to write them from listening to folk songs. And I played them, and I met other people that played them, back when nobody was doing it. Sang nothing but these folk songs, and they gave me the code for everything that's fair game, that everything belongs to everyone." In *Hear My Sad Story*, Richard Polenberg describes the historical events that led to the writing of many famous American folk songs that served as touchstones for generations of American musicians, lyricists, and folklorists. Those events, which took place from the early nineteenth to the mid-twentieth centuries, often involved tragic occurrences: murders, sometimes resulting from love affairs gone wrong; desperate acts borne out of poverty and unbearable working conditions; and calamities such as railroad crashes, shipwrecks, and natural disasters. All of Polenberg's account of

the songs in the book are grounded in historical fact and illuminate the social history of the times. Reading these tales of sorrow, misfortune, and regret puts us in touch with the dark but terribly familiar side of American history. On Christmas 1895 in St. Louis, an African American man named Lee Shelton, whose nickname was "Stack Lee," shot and killed William Lyons in a dispute over seventy-five cents and a hat. Shelton was sent to prison until 1911, committed another murder upon his release, and died in a prison hospital in 1912. Even during his lifetime, songs were being written about Shelton, and eventually 450 versions of his story would be recorded. As the song—you may know Shelton as Stagolee or Stagger Lee—was shared and adapted, the emotions of the time were preserved, but the fact that the songs described real people, real lives, often fell by the wayside. Polenberg returns us to the men and women who, in song, became legends. The lyrics serve as valuable historical sources, providing important information about what had happened, why, and what

it all meant. More important, they reflect the character of American life and the pathos elicited by the musical memory of these common and troubled lives.

Two lives. Two loves. One impossible choice. From the #1 New York Times bestselling author of the Reese's Book Club Pick *One Day in December* . . .

"I read *The Two Lives of Lydia Bird* in a single sitting. What a beautiful, emotional gift Josie Silver has given us."—Jodi Picoult
Written with Josie Silver's trademark warmth and wit, *The Two Lives of Lydia Bird* is a powerful and thrilling love story about the what-ifs that arise at life's crossroads, and what happens when one woman is given a miraculous chance to answer them. Lydia and Freddie. Freddie and Lydia. They'd been together for more than a decade and Lydia thought their love was indestructible. But she was wrong. On Lydia's twenty-eighth birthday, Freddie died in a car accident. So now it's just Lydia, and all she wants is to hide indoors and sob until her eyes fall out. But Lydia knows that Freddie

would want her to try to live fully, happily, even without him. So, enlisting the help of his best friend, Jonah, and her sister, Elle, she takes her first tentative steps into the world, open to life—and perhaps even love—again. But then something inexplicable happens that gives her another chance at her old life with Freddie. A life where none of the tragic events of the past few months have happened. Lydia is pulled again and again through the doorway to her past, living two lives, impossibly, at once. But there's an emotional toll to returning to a world where Freddie, alive, still owns her heart. Because there's someone in her new life, her real life, who wants her to stay.

"Whether we know it or not, we all experience the touch of the Divine in our lives every single day. After twenty-five years spent consulting and advising tens of thousands of people from all over the world, Tasha Silver realized that almost all of us have similar concerns: "How do I stop worrying? How can I feel safe? Why do I feel so alone?" and often, "Who am I really?" For the

passionately spiritual and the bemusedly skeptical alike, she created *Outrageous Openness*. This delightful book, filled with wisdom and fresh perspectives, helps create a relaxed, trusting openness in the reader to discover answers to life's big questions as they spontaneously arise."-- Amazon.com.

So Silver Bright Farrar, Straus and Giroux (BYR)
From Matthew Quick, the New York Times bestselling author of *The Silver Linings Playbook*—made into the Academy Award-winning movie starring Jennifer Lawrence and Bradley Cooper—comes a poignant and hopeful novel about a widower who takes in a grieving teenager and inspires a magical revival in their small town. Lucas Goodgame lives in Majestic, Pennsylvania, a quaint suburb that has been torn apart by a recent tragedy. Everyone in Majestic sees Lucas as a hero—everyone, that is, except Lucas himself. Insisting that his deceased wife, Darcy, visits him every night in the form of an angel, Lucas spends his time writing letters to his former Jungian analyst, Karl. It is only when Eli, an eighteen-year-old young man whom the community has ostracized, begins camping out in Lucas's backyard that an unlikely alliance takes shape and the two embark on a journey to heal their neighbors and, most importantly, themselves. From Matthew Quick,

whose work has been described by the Boston Herald as “like going to your favorite restaurant. You just know it is going to be good,” *We Are the Light* is an unforgettable novel about the quicksand of grief and the daily miracle of love. The humorous, soul-baring story of Lucas Goodgame offers an antidote to toxic masculinity and celebrates the healing power of art. In this tale that will stay with you long after the final page is turned, Quick reminds us that life is full of guardian angels.
