DARIEN MARQUIS

Long May She Reign Celadon Books
Suicide Century investigates suicide as an increasingly 'normalised' but still deeply traumatic and profoundly baffling act in twentieth-century writing.
Miscellaneous Publication LA CASE Books
The Girl of Fire and Thorns meets The Queen of the Tearing in this thrilling fantasy standalone about one girl's unexpected rise to power. Freya was never meant to be queen. Twenty-third in line to the throne, she never dreamed of a life in the palace, and would much rather research in her laboratory than participate in the intrigues of the court. However, when an extravagant banquet turns deadly and the king and those closest to him are poisoned, Freya suddenly finds herself on the throne. She may have escaped the massacre, but she is far from safe. The nobles don't respect her, her councillors want to control her, and with the mystery of who killed the king still unsolved, she knows that a single mistake could cost her the kingdom—and her life. Freya is determined to survive, and that means uncovering the murderers herself. Until

then, she can't trust anyone. Not her advisers. Not the king's dashing and enigmatic illegitimate son. Not even her own father, who always wanted the best for her but also wanted more power for himself. As Freya's enemies close in and her loyalties are tested, she must decide if she is ready to rule and, if so, how far she is willing to go to keep the crown.

These psychological novels are so absorbing that you will soon forget to eat, sleep, feed the cat, or even leave for work. They offer the reader a ticket to escape the daily drudgery of overwhelming problems. Instead, the reader becomes immersed in the world and adventures of each story's characters. For anyone seeking total immersion in the complicated and changing world of human relations, this selection of the best classical masterpieces in psychological fiction is for you. Moby Dick; Or, The Whale by Herman Melville Metamorphosis by Franz Kafka The Yellow Wallpaper by Charlotte Perkins Gilman Heart of Darkness by Joseph Conrad Ulysses by James Joyce Wuthering Heights by Emily Brontë Crime and Punishment by Fyodor Dostoyevsky The Turn of the Screw by

Henry James Persuasion by Jane Austen
The House of Mirth by Edith Wharton
Masters of Prose - James Joyce Crooked Lane Books

This book explores the ways in which anorexic women use their eating to control their bodies. It argues that the female body in modern Western culture is understood as open and accessible and female appetite as dangerous and voracious. Anorexia attempts to resist both these constructions in the creation of a closed, desireless body. Since anorexic women resist the power of collective ideologies their resistance cannot work - the closed body becomes its own prison.

Delphi Complete Works of James Joyce (Illustrated) e-artnow

This carefully crafted ebook: "JAMES JOYCE Premium Collection: Ulysses, A Portrait of the Artist as a Young Man, Dubliners, Chamber Music & Exiles" is formatted for your eReader with a functional and detailed table of contents. James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for Ulysses, a landmark work in which the episodes of Homer's Odyssey are paralleled in an array of contrasting literary styles, perhaps most prominent among these the stream of consciousness technique he utilized. Other well-known works are the short-story collection Dubliners, and the novels A Portrait of the Artist as a Young Man and Finnegans Wake. ****THE INSTANT #1 NEW YORK TIMES BESTSELLER**** "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy." —Entertainment Weekly The Silent Patient is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house

with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....

The Loco-weed Disease of the Plains

Prabhat Prakashan

Zoe Zola is one of ten invitees to an Agatha Christie symposium. Tempers flare...and then there are nine. Can Jenny Weston save Zoe from murder on the Upper Peninsula? Little Person author Zoe Zola believes that one of the unluckiest things in life is to receive an invitation—in the form of a letter edged in black—to an Agatha Christie symposium at an old Upper Peninsula hunting lodge. Her reluctance dissipates when she learns that the organizer is named Emily Brent—the name of a character poisoned by cyanide in Christie's *And Then There Were None*. As a dreary rain soaks the U.P., Zoe and nine other Christie scholars—each of whom bears a vague resemblance to one of the classic mystery novel's characters—arrive at the lodge. At the

opening night dinner, arguments flare over the experts' discordant theories about Christie. Next morning, the guests find one particularly odious man has gone—whereabouts and reasons unknown. Such a coincidental resemblance to a work of fiction is surely impossible; therefore, it appears to be possible. As the guests disappear, one by one, Zoe resolves to beat a hasty retreat—but her car won't start. She calls her friend, amateur sleuth/little librarian Jenny Weston, but Jenny will have to wait out a storm off Lake Superior before she can come to the rescue. If Zoe's to stay alive to greet Jenny when she eventually arrives, she'll have to draw on everything she knows about Agatha Christie's devilish plots in Elizabeth Kane Buzzelli's fourth tantalizing Little Library mystery.

Zoe Cambridge University Press

A tree that sheds poison daggers; a glistening red seed that stops the heart; a shrub that causes paralysis; a vine that strangles; and a leaf that triggered a war. In *Wicked Plants*, Stewart takes on over two hundred of Mother Nature's most appalling creations. It's an A to Z of plants that kill, maim, intoxicate, and otherwise offend. You'll learn which plants to avoid (like exploding shrubs), which plants make themselves exceedingly unwelcome (like the vine that ate the South), and which ones have been killing for centuries (like the weed that killed Abraham Lincoln's mother). Menacing botanical illustrations and splendidly ghastly drawings create a fascinating portrait of the evildoers that may be lurking in your own backyard. Drawing on history, medicine, science, and legend, this compendium of bloodcurdling botany will entertain, alarm, and enlighten even the most intrepid gardeners and nature lovers.

Wildflowers of the Western Plains Craig Place Books

Welcome to the Masters of Prose book series, a selection of the best works by noteworthy authors. Literary critic August Nemo selects the most important writings of each author. A selection based on the author's novels, short stories, letters, essays and biographical texts. Thus providing the reader with an overview of the author's life and work. This edition is dedicated to the Irish writer James Joyce. He contributed to the modernist avant-garde and is regarded as one of the most influential and important authors of the 20th century. Joyce is best known for *Ulysses*, a landmark work in which the episodes of Homer's *Odyssey* are paralleled in a variety of literary styles, most famously stream of consciousness. Ulysses *Dubliners* *A Portrait of the Artist as a Young Man* *Exiles* *Chamber Music*
 "There was no hope for him this time: it was the third stroke. Night after night I had passed the house (it was vacation time) and studied the lighted square of window: and night after night I had found it lighted in the same way, faintly and evenly. If he was dead, I thought, I would see the reflection of candles on the darkened blind for I knew that two candles must be set at the head of a corpse. He had often said to me: "I am not long for this world," and I had thought his words idle. Now I knew they were true. Every night as I gazed up at the window I said softly to myself the word paralysis. It had always sounded

strangely in my ears, like the word gnomon in the Euclid and the word simony in the Catechism. But now it sounded to me like the name of some maleficent and sinful being. It filled me with fear, and yet I longed to be nearer to it and to look upon its deadly work."

Bulletin Springer Science & Business Media

"Mr Bloom reviewed the nails of his left hand, then those of his right hand. The nails, yes. Is there anything more in him that they see? Fascination. Worst man in Dublin. That keeps him alive. They sometimes feel what a person is. Instinct. But a type like that. My nails. I am just looking at them: well pared. And after: thinking alone. Body getting a bit softy. I would notice that: from remembering. What causes that? I suppose the skin can't contract quickly enough when the flesh falls off. But the shape is there. The shape is there still. Shoulders. Hips. Plump. Night of the dance dressing. Shift stuck between the cheeks behind." *Ulysses* chronicles the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day, 16 June 1904. This is an unabridged e-book edition of "Ulysses" by James Joyce.

Pamphlets on Forestry. Grazing Tacet Books

One night changed them both forever. ... As Zoe and Matt tussle over the best use of a billionaire's bequest, a deeper question looms: Will one night stand in the way of their spending the rest of their days together? Six years ago, rodeo cowboy Matt Halderman looked at himself and didn't like what he saw.

Especially not after he ran out on that spunky, wide-eyed student he'd just met. He didn't run far, falling into conversation with a stranger in the pre-dawn stillness of a Wyoming truck stop. That conversation - along with seed money that mysteriously arrived just when he needed it - turned the course of Matt's life. Now he's received a letter announcing that the stranger he'd met in that diner had been billionaire Harold Hopewell. Hopewell had traveled the world, encountering people and letting their stories touch him. In death, he is giving back, leaving an unusual will filled with life-altering bequests to the people he met along the way. It turns out the recently departed billionaire isn't done changing Matt's life. This time with an inheritance that will allow Matt to go home to do something he's long dreamed of - caring for rodeo horses at the end of their lives. Zoe Parisi hasn't forgotten Matt or the night he walked out on her. Couldn't even be called a one-night stand, since the man hadn't stuck around for the whole night. She lost her head that night, but it's been squarely back on her shoulders ever since. She's a doctor now and is on track to take over an established practice in Knighton, Wyoming, the much-loved hometown of her grandparents. She'd been sure when she decided to settle in Knighton that Matt would never return to the ranch where he grew up. But now, here he comes, waltzing back into town ... looking just as good as ever and with a bunch of money. Zoe wants nothing to do with Matt or his good looks ... but his money's a whole different matter. What does he need with this inheritance when he already has so much? She, on the other hand, knows exactly how to use those funds to make desperately needed improvements to medical care for all the

people around Knighton. Wildflowers have to be strong and resilient to bloom amid the rugged western beauty of Wyoming - and so do the women. The Loco and Some Other Poisonous Plants in Montana CRC Press

Ulysses by James Joyce complete and unabridged. James Joyces astonishing masterpiece, *Ulysses*, tells of the diverse events which befall Leopold Bloom and Stephen Dedalus in Dublin on 16 June 1904, during which Blooms voluptuous wife, Molly, commits adultery. Initially deemed obscene in England and the USA, this richly-allusive novel, revolutionary in its Modernistic experimentalism, was hailed as a work of genius by W. B. Yeats, T. S. Eliot and Ernest Hemingway. Scandalously frank, wittily erudite, mercurially eloquent, resourcefully comic and generously humane, *Ulysses* offers the reader a life-changing experience.

Wicked Plants University of Texas Press

The Irish author James Joyce was a prominent figure of the modernist avant-garde and is regarded as one of the most influential and important writers of the twentieth century. His masterpiece 'Ulysses' is a landmark modernist work, in which the episodes of Homer's 'Odyssey' are paralleled in a variety of literary styles, including stream of consciousness. Other important works are the seminal short story collection 'Dubliners' and the novels 'A Portrait of the Artist as a Young Man' and 'Finnegans Wake', noted for their experimental use of language and

exploration of pioneering literary techniques. This eBook presents Joyce's complete works, with numerous illustrations, rare texts appearing in digital print for the first time, informative introductions and the usual Delphi bonus material. (Version 7) * concise introductions to the novels and other texts * every novel, poetry collection and play has its own contents table to allow easy navigation * the rare unfinished novel STEPHEN HERO * many images related to Joyce and his works * special images of the original first editions, giving your eReader a flavour of the original texts * all of the short stories and poems * 'Ulysses' has special introductions to all eighteen episodes of the epic novel * includes the rare children's short story THE CAT AND THE DEVIL * introductory chapters for each part of FINNEGANS WAKE, aiding understanding of this challenging text * includes the rare prose poem GIACOMO JOYCE, first time in digital print * special non-fiction section with essays, letters and newspaper articles * ordering of texts into chronological order * UPDATED with the rare prose fragments 'The Cats of Copenhagen' and 'Finn's Hotel'

Ulysses FilRougeViceversa
Stretching from western Texas and eastern New Mexico up through Oklahoma, Colorado, Kansas, Nebraska,

Wyoming, Montana, the Dakotas, and into Canada, the vast western plains often appear sparse and dry to the casual observer. But a closer look, especially after spring rains, uncovers flowers of all colors, sizes, shapes, and fragrances. These forgotten flowers, never before the main focus of a field guide, come into bloom in *Wildflowers of the Western Plains*. Organized by plant family, the guide presents 186 species of wildflowers, accompanied by vivid color photographs. Each entry includes both the Latin and common names and a description of the plant, flower, fruit, and range. A special feature of the guide is the inclusion of Native American botanical folklore, legends pertaining to wildflowers, and medicinal uses of native plants. The author's personal observations and occasional recipes round out this delightful array of information.

Zoe Oxford University Press, USA
 Since the first edition was published in 1984 *Horse and Stable Management* has become the recognised source of reliable information on all aspects of the practical management of horses and ponies. It is now the established textbook for everyone who owns a horse or works with horses. This fourth edition has been radically revised and reorganised to include the most up-to-date and accurate procedures and advice. With many new photographs, *Horse and Stable Management* includes chapters covering evolution and behaviour, conformation and action, routine preventive measures, nursing the sick horse, first aid, lameness and the management of breeding stock. *Horse and Stable Management* is essential reading for those taking British Horse Society and Association of British Riding Schools examinations as well as those

taking college equine courses or National Vocational Qualifications in horse care and management. The Author Jeremy Houghton Brown was manager of the British National Equestrian Centre and the British Racing School, then for many years principal lecturer in equine studies at Warwickshire College, where he started and pioneered British equine education. Above all, he is an experienced, practical horseman. Sarah Pilliner is an equine consultant specialising in horse care. She is also an experienced lecturer, competition rider, senior examiner, and the author of several books. Zoe Davies is a former lecturer in equine science, a consultant equine nutritionist, author and external examiner for higher education courses. She has substantial experience in equine management and training. From previous reviews: 'A new classic... a clearly written and easily understood handbook.' Riding 'It is extremely comprehensive. It is also accurate. In fact, a most valuable book for anyone who owns a horse.' *Horse and Hound* 'The approach and contents are refreshingly different... very informative and a valuable source of reference.' *Horse and Rider*

And Then They Were Doomed
 HarperCollins

The second edition of this book is created to assist the clinician in the initial response to the needs of a child or adult exposed to a poisonous or injurious plant. It lists common plants that might lead to the development of the symptom complex and describes the mechanisms of action of the implicated toxin, additional clinical manifestations, and specific therapeutics for each presentation. It has methodically enhanced the previous edition's botanical rigor with insights from both

pharmacognosy and clinical medicine to make it a truly comprehensive source for anyone who has an interest in plants.
