This is the true moving story of a young man growing up in the 1950's, of staunch Roman Catholic parents. Encouraged by family and teachers, the eleven years old holds a burning desire to become a Missionary Priest. His story unfolds against the backdrop of a Catholic Church going through massive change, yet stuck firmly in the past, with teachings and traditions going back hundreds of years. Leaving the love of his family he joins a junior

seminary where he begins his progress towards becoming a priest. It describes his fears and concerns about his calling from God and his life at a boarding school. It tracks his adolescent life, desperately trying to come to terms with being a youth with normal feelings, whilst living in the unusual environment of a Monastery. It tells of his emotional turmoil and inability to make a definite decision about his future, as he becomes more and more institutionalised. It follows his time in a Scottish Monastery where he is initiated into strict Monastic ways, then moves onto a Seminary where he struggles with Monastic life, his studies and emotional relationships. Finally, illness and love are the catalysts for The Nearly Man making

the decision of his lifetime.

The author of nine novels, three collections of short stories, and two critical works, Caroline Gordon produced an

impressive--though unjustly neglected--body of work. Her considerable contributions to modern Southern fiction notwithstanding, her life was especially fascinating for two other reasons: the prominent literary circles in which she moved and her heroic efforts to "have it all"--marriage, career, and family--at a time when such aspiration was neither touted nor supported. Sensitive, engaging, and richly detailed, this biography captures Gordon's life in all its multiple layers. As the wife of the poet Allen Tate, Gordon became intimately connected with members of the Fugitive/Agrarian circle, notably Robert Penn Warren and Andrew Lytle. As the Fugitives expanded their vision from Southern to modernistic approaches to literature, Gordon's circle of friends and acquaintances grew to include Ford Madox Ford, T.S. Eliot, Katherine Anne Porter, Scott and Zelda Fitzgerald, Ernest Hemingway, Flannery O'Connor, Walker Percy, Eudora Welty, Robert Lowell, Maxwell Perkins, Hart Crane, William Faulkner, and many others. Even more intriguing, though, is Gordon's story as a Southerner, a woman, and a writer--roles that, for her, were as often mutually

exclusive as synergistic. Her life was in some ways similar to that of Zelda Fitzgerald: the Southern belle with the writer-husband and artistic aspirations of her own. Unlike Zelda, Caroline Gordon did not collapse under the strain, although there were prices she paid--particularly in her intense and tangled relationship with Allen Tate, whose work overshadowed her own (or so it seemed to her) and whose philanderings were a continual source of strain and jealousy. In addition to following the windings of Gordon's life--through New York and Tennessee, through England and Paris--Veronica Makowsky looks closely at Gordon's key works--including such novels as *Penhally*, a complex family saga that was her first published book; *Aleck Maury, Sportsman*, the much loved classic for which she is still remembered; *The Malefactors*, a portrait of an aging poet modeled after Tate; and her much admired short stories. In conducting her research, Makowsky interviewed Gordon shortly before her death in 1981 and also received the full cooperation of Gordon's family in gaining access to the novelist's papers. From such rich sources she has produced a compellingly readable portrait

of a remarkable woman.

I Will Survive is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the

lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.
