MADALYNN XIMENA

The Complete Book of Christian Wedding Vows Xlibris Corporation
Gary Thomas, pastor and bestselling author of Sacred Marriage, believes that one simple word can bring hope, light, and life into any marriage: Cherish. Most marriages survive by gritting teeth and holding on. But what if surviving marriage wasn't the goal? What if we aimed to thrive instead? In Cherish, Thomas teaches us that although there are a countless number of marriages consisting of two people just going through the motions, there are real ways this pattern can be reversed: when husbands and wives learn to cherish one another in their everyday actions and words. The way we treat something acknowledges whether we cherish it or hold it with indifference or contempt. To

truly cherish something is to go out of our way to show it off, protect it, and honor it. We want others to see and recognize and affirm the value that we see. Thomas reminds us that in a world desperate for marriage redemption, the act of cherishing is needed now more than ever. Cherishing your spouse will elevate your marriage relationally, emotionally, spiritually, and even physically. You will set different goals for your relationship, and you'll see your marriage with fresh eyes. Through personal stories, real-world examples, and timeless biblical truths, Thomas shares the tools you need to turn your marriage around, including: Using your mind to change your heart Sacrificing for your spouse Praying with intentionality Prioritizing your life partner Through the biblical act of cherishing, we can empower our spouses to become who they are called by God to be, and in the process to become more of who we are

called to be, creating a marriage that feels more precious, more connected, and more satisfying. If you're ready to revolutionize your relationship, it's time to learn how to truly Cherish it.

Who are the Quakers, what do they believe, and what do they practice? The Religious Society of Friends--also known as Quakers---believes that everyone can have a direct experience of God. Quakers express this in a unique form of worship that inspires them to work for change in themselves and in the world. In "The Spirit of the Quakers," Geoffrey Durham, himself a Friend, explains Quakerism through quotations from

writings that cover 350 years, from the beginnings of the movement to the present day. Peace and equality are major themes in the book, but readers will also find thought-provoking passages on the importance of action for social change, the primacy of truth, the value of simplicity, the need for a sense of community, and much more. The quoted texts convey a powerful religious impulse, courage in the face of persecution, the warmth of human relationships, and dedicated perseverance in promoting just causes. The extended quotations have been carefully selected from well-known Quakers such as George Fox, William Penn, John Greenleaf Whittier, Elizabeth Fry and John Woolman, as well as many contemporary Friends. Together with Geoffrey Durham's enlightening and sympathetic introductions to the texts, the extracts from these writers form an engaging, often moving guide to this accessible and open-hearted religious faith.

Essays for The Christian Soul Inspiring Voices

It's time to start living the life God purposely created just for you! You were divinely created with natural characteristics, gifts, and summons from God which is the "inner voice" that lives in us. The obedience of the "inner voice"

will make the difference between living a life of fulfillment, or being the victim of enslavement that will soon squeeze your soul to the limit of feeling no escape from the busy lifestyle of stress. How often do you feel your life has no direction, routine, unimportant, or trapped? The Inner Voice: God is Calling You gives guidance on how to escape this mentality. This book teaches you how to live a more simple and peaceful life. It helps give guidance about God's simple purpose for human creation. Many people believe that God only calls certain people to be disciples of his work, but God has a calling on any and everyone that wishes to accept His gift. Unfortunately, many will never witness their true purpose because they will never grow spiritually mature enough to hear God's call. If we are going to be all we are meant to be, this is where we must begin. Hear his call!
