Tucked away deep in the hills of Dubna lives a man hiding from a past that’s as grisly as the scar on his face. Reclusive. Paranoid. Violent. His trek to the top has been a bloody game—with a deadly end for anyone who loses. And it’s not over yet. Vera Avdonin stumbled into the life of Vaslav Pashkov entirely by accident, and it should have stopped there, too. Just a broken ballerina who helped a beautifully tortured stranger. But she’ll soon learn that like the mafiya he controls, once he brings you in, there is no way out. They don’t call him The Beast of Moscow for nothing. * The Beast of Moscow is a slow burn, contemporary romance saga told over the course of several parts and encompassing more than one generation from start to finish. Only part of this is a love story; everything else hurts. TBOM—taking readers from Moscow to Paris while peeling back the beginning layers of Vaslav Pashkov—is part one.

Boys, Girls, and the Myths of Literacies and Learning Jessica Kingsley Publishers

What real boys have to say: "A lot of people use words like 'psycho' or 'wacko' to refer to people who are feeling glum or think they might want to take their own life. I think these sorts of slang terms create further isolation in a teen, and that's not what you want to do to a teen who already feels alone" —Alexander, 18, from a small town in the South "A guy is supposed to be strong, tall, and fast and have the qualities of an ideal athlete. At the same time he's supposed to be smart. He's expected to be nearly perfect." —Chandler, 14, from a suburb in the Northwest "What I hate about this school is that I am being picked on in the halls and just about everywhere else." —Cody, 14, from a suburb in New England In *Real Boys*, Dr. William Pollack explored the issues that most boys in our nation face today. In this fascinating follow-up bestseller, Pollack goes right to the source: boys ages 10 to 20-evoking the secret struggles and passions of America's adolescent males in their own words. Their voices are searingly honest and eager to be heard, revealing how society's outdated expectations force them to mask their feelings of isolation, depression, longing, love, and hope. We hear from boys and young men in big cities and small towns-including survivors of the Columbine High School massacre-who share compelling, extrordinarily candid stories about bullying, drugs, sports, school, parents, sex, love, and much more. Pollack also offers ways to start a dialog and illustrates through templates what to do in many situations. This is an eye-opening book for teenage boys and girls, but-with its insights and strategies for dealing with their issues-especially invaluable for all the people in their lives.

Danger! Boys Dancing! Lulu Press, Inc

An enthralling, emotional memoir that recounts the ups and downs of coming-of-age, set against the music and literature of the 1970s. Raised in a small town in the north of England known primarily for its cotton mills, football team, and its deep roots in the “Respectable Working Class,” Graham Caveney armed himself against the confusing nature of adolescence with a thick accent, a copy of Kafka, and a record collection including the likes of the Buzzcocks and Joy Division. All three provided him the opportunity to escape, even if just in mind, beyond his small-town borders.

But, when those passions are noticed and preyed upon by a mentor, everything changes. Now, as an adult, Caveney attempts to reconcile his past and present, coming to grips with both the challenges and wonder of adolescence, music, and literature. By turns angry, despairing, beautifully written, shockingly funny, and ultimately redemptive, *The Boy with Perpetual Nervousness* is a tribute to the power of the arts—and a startling, original memoir that “feels as if it had to be written, and demands to be read” (The Guardian UK).

Whether as a curiosity or a beloved idol, Gene Kelly (1912-1996) lives on in our cultural memory as a fantastic dancer in MGM musicals, especially *Singin’ in the Rain*. But dancing, however extraordinary, was only one of his many gifts. This book, for the first time, offers a full picture of Gene Kelly as the Renaissance man he actually was—dancer, yes, but also choreographer, actor, clown, singer, director, teacher, and mentor. Kelly was star of radio and television as well as film, avant-garde as artist and auteur but also ahead of the curve in opening the world of dance to differences of race, ethnicity, and gender. *Gene Kelly: The Making of a Creative Legend* takes us from Kelly’s youth in Depression-era Pittsburgh through his years on Broadway and ascendance to stardom in Hollywood. Authors Hess and Dabholkar pay particular attention to his work with the US Navy, solo directing, and lesser-known but considerable accomplishments in television, radio, and on the stage in later years. The book gives us a rare inside look at Kelly’s relationships with dancing partners and peers from Leslie Caron, Vera-Ellen, and Cyd Charisse to Fred Astaire, and at his directorial collaboration with Stanley Donen and Vincent Minnelli; and at his solo directing. The authors show us significant but little-examined facets of Kelly’s character and career, such as the political convictions that got him graylisted in Hollywood; his passion for creating cine-dance and serving as an ambassador of dance in America; and his forging of links between dance, civil rights, and the “common man.” Steeped in research and replete with photographs, this career biography uniquely encompasses all phases of Gene Kelly’s life and work—and finally gives us a full portrait of this central figure in the history of the film musical during Hollywood’s Golden Age.

In 1990, a young boy afflicted with cerebral palsy was born, prematurely, in Russia. His name was Vanya. His mother abandoned him to the state childcare system and he was sent to a bleak orphanage called Baby House 10. Once there, he entered a nightmare world he was not to leave for more than eight years. Housed in a ward with a group of other children, he was clothed in rags, ignored by most of the staff and given little, if any, medical treatment. He was finally, and cruelly, confined for a time to a mental asylum where he lived, almost caged, lying in a pool of his own waste on a locked ward surrounded by psychotic adults. But, that didn't stop Vanya. Even in these harsh conditions, he grew into a smart and persistent young boy who reached out to everyone around him. Two of those he reached out to—Sarah Philips, the wife of a British journalist, and Vika, a young Russian woman—realized that Vanya was no ordinary child and they began a campaign to find him a home. After many twists and turns, Vanya came to the attention of a single woman living in the United States named Paula Lahutsky. After a lot of red tape and more than one miracle, Paula adopted Vanya and brought him to the U.S. where he is now known as John Lahutsky, an honors student at Freedom High School in Bethlehem, Pennsylvania and a member of the Boy Scouts of America Order of the Arrow. In *The Boy From Baby House 10*, Sarah's hus band, Alan Philips, helps John Lahutsky bring this inspiring true-life story of a small boy with a big heart and an unquenchable will to readers everywhere.

My Child Told Me They're Trans...What Do I Do? St. Martin's Press

"In my travels throughout this country, I have discovered a glaring truth: America's boys are absolutely desperate to talk about their lives," says Dr. William Pollack, author of the bestseller *Real Boys*. Now, in *Real Boys' Voices*, Pollack lets us hear what boys today are saying, even as he explores ways to get them to talk more openly with us. "Boys long to talk about the things that are hurting them—their harassment from other boys, their troubled relationships with their fathers, their embarrassment around girls and confusion about sex, their disconnection from and love for their parents, the violence that haunts them at school and on the street, their constant fear that they might not be as masculine as other boys." In *Real Boys' Voices* we hear, verbatim, what boys from big cities and small towns, including Littleton, Colorado, have to say about violence, drugs, sports, school, parents, love, anger, body image, becoming a man, and much, much more. *Real Boys' Voices* takes us into the daily worlds of boys not only to show how society's outdated expectations force them to mask many of their true emotions, but also to let us hear how boys themselves describe their isolation, depression, longing, love, and hope. How can you get behind the mask of masculinity many boys wear? How can you tell whether a "bad boy" is actually a "sad boy"—and how do you spot the danger signals of depression? How can you grow closer to the boy you love? Pollack explores how to create safe spaces and engage in "action talk," how to listen so a boy will speak the truth about, and be, himself. In the real boys' voices here, boys speak eloquently and truthfully about such topics as shame, bullying and teasing, the pressure to fit in, addictions, how they see the lives of the men they know, the importance of their mothers and

fathers, their own spiritual and creative experiences, friendships with other boys and with girls, being gay, and coping with divorce and other losses, including the death of a friend or parent. We also hear what boys from Columbine High School and other places say about fear and violence in their lives. Full of insights from and about young and adolescent boys, William Pollack's *Real Boys' Voices* is an important, illuminating, and invaluable book, for boys themselves and for all the people in their lives. From *Real Boys' Voices* "Boys are supposed to shut up and take it, to keep it all in." —Scotty, from a small town in New England "What I hate about this school is that I am being picked on in the halls and just about everywhere else." —Cody, from a suburb in New England "Sometimes people say there are two me's, like I have a dual personality. . . . The public persona is not really who I am. It's a tool . . . to be who everyone wants me to be." —Raphael, from a city in the West "If you see [abuse] coming, just walk out of the room or walk out of the house or go somewhere, go to a friend's house, go for a walk, take your dog for a run, whatever. Just try to get away from that situation before it actually explodes." —Paul, from a suburb in the West "Maybe a couple of times I used to bully some kids. I haven't bullied anyone since the shooting. I try to be nicer to people even if I don't like them." —John, from Littleton, Colorado
