Nikki Maxwell authors an advice column for the school newspaper in this fifth book of the New York Times bestselling Dork Diaries series. Nikki Maxwell develops a sudden interest in student journalism that may or may not (okay, definitely

So Nikki joins the school newspaper staff—and ends up as an advice columnist! It's fun at first, answering other kids' letters. But when Miss Know-It-All's inbox is suddenly overflowing with pleas for guidance, Nikki feels in need of some help herself. Fortunately she has BFFs Chloe and Zoey on her side—and at her keyboard!

Even J.P.'s efforts to cheer Mia up (he's being really sweet!) aren't helping. Just when things couldn't get worse, Mia discovers a long—forgotten diary of a

That is, it usually means those things. But when you're Princess Mia, nothing happens the way it's supposed to. For one thing, Grandmère seems determined to prove that boy (or Michael, as he is commonly known) isn't the right one for the crown princess of Genovia. And Mia isn't having much luck proving otherwise, since Michael has a history of being decidedly against any kind of exploitative commercialization (Valentine's Day, as it is commonly known). Boris can declare his love openly to Lilly, and even Kenny comes through with a paltry Whitman's Sampler. So why can't Michael give in to Cupid and tell Mia he loves her—preferably with something wrapped in red or pink and accompanied by roses—in time to prove

he's Mia's true prince? **Party Princess** Harper Collins

And now that Mia's one true love, Michael, is uptown at college, what's the point of even getting up for school in the morning? But the last straw is what Lana whispers to her on the lunch line about what college boys expect of their girlfriends. . . .
