**Why Not Me?** New Leaf Publishing Group  
A well thought out treatment of the writings of John in the Bible, the author takes all the influences that may have caused John

to write the on the topics he did such as the state of the Roman Empire at the time and the rise of Gnosticism which was a major influence in the New Testament world.  
*Miracle from the Heart*  
WestBow Press  
The Divine Miracle is a science fiction fantasy

partially based on 2 movies and a tv comedy show. The rest of the book comes from the active imagination of the author. The author had ideas for the novel for years but decided to put his ideas on paper after the death of an uncle in 2007. The Divine Miracle has many elements including comedy, drama, action and adventure. This is the first book in a four part series.

The Twelve Conditions of a Miracle Macmillan

What do you do when your hopes and dreams seem to die? Mahesh and Bonnie Chavda, two respected international leaders, contend that for Christians, this doesn't need to be a time of discouragement. Instead, as believers

learn to welcome the anointing presence of Jesus, any valley can be transformed into a place of miracles. The Chavdas focus on the Shuammite woman in 2 Kings, who was given, and then lost, and then received back again her young son. First narrating and then exploring this account of death and restoration, the Chavdas encourage readers to face their broken dreams and make room for Jesus' resurrection power. As believers recognize the possibility of the impossible, refusing to let go of the Presence, God can bring even the most hopeless dream to life.

The Last Miracle

[Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature](#) Trafford Publishing

This extraordinary new understanding of the biblical parable of the loaves and fishes reveals—within the

original Greek text—twelve practical methods for living a life of meaning and miracles. In this uplifting work, Dr. Todd Michael meticulously retranslates the parable of the loaves and fishes, and makes an astonishing discovery: Below the surface—deep within the subtleties of the original Greek—lies a carefully hidden layer of information. Here, the actual technique of the miracle is revealed in the form of twelve precise and realistic steps to extraordinary living. Scholarly, inspiring, and amazingly consistent with contemporary metaphysical thought, *The Twelve Conditions of a Miracle* is essential reading if you want to work a transformation in your own life.

Fortress Press  
 COMING SOON AS A  
 HALLMARK CHRISTMAS  
 MOVIE NEW YORK  
 TIMES BESTSELLER •  
 Mrs. Miracle shows an  
 ordinary family that  
 they are blessed  
 beyond belief in this  
 uplifting holiday tale  
 from Debbie  
 Macomber, the queen  
 of Christmas stories. As  
 the holiday season  
 begins, Laurel  
 McCullough could use  
 some good news. She  
 and her husband,  
 Zach, have been  
 praying for a baby that  
 seems more and more  
 like an impossible  
 dream, and they've  
 had to move in with  
 her beloved  
 grandmother, Helen,  
 who's having trouble  
 taking care of herself.  
 But when Laurel  
 contacts a local home-  
 care organization for

help, there are no  
 caregivers available.  
 Then Mrs. Miracle  
 appears at the door.  
 No stranger to lending  
 a helping hand to a  
 family in need, Mrs.  
 Miracle reveals herself  
 to be nothing short of a  
 godsend. Helen's even  
 convinced she's an  
 angel! And Laurel can't  
 help but notice that  
 with Mrs. Miracle's  
 companionship, Helen  
 is noticeably happier  
 and more engaged,  
 decorating the family  
 Christmas tree and  
 setting up the nativity.  
 In the meantime,  
 Laurel and Zach  
 encounter curious  
 signs, all pointing  
 toward the arrival of a  
 special baby. As  
 Christmas approaches,  
 there appears to be  
 even more to Mrs.  
 Miracle than meets the  
 eye. In a classic tale of  
 Debbie Macomber's

signature seasonal magic, Laurel, Zach, and Helen experience a holiday of heavenly proportions.

12 Secrets to a Miracle-Working Faith Good Press

Miracle Gold (Vol. 3 of 3) A Novel The reason why the dwarf didn't either take the gold or hand over Timmons to the police was because he hadn't all he wanted. When he got Timmons asleep he left him somewhere and went back to wind his clock just to show he wasn't up to anything. What was it Timmons hadn't? Why, papers, of course. Timmons hadn't any papers about Stamer or any of them, and the only thing Leigh would have against Timmons, if he gave him up then, would be the gold, out of which by itself they

could make nothing! That was the whole secret! Leigh knew the time when Timmons would come to his senses to a minute, and had him out in the street half a mile from the house before he knew where he was. If confirmation of this theory were required had not Timmons told him that Leigh carried a silver bottle always with him, and that he was ever sniffing up the contents of the bottle? Might not he carry another bottle the contents of which, when breathed even once, were more powerful, ten times more powerful, than chloroform? This explanation admitted of no doubt or even question. But if a clincher were needed, was it not afforded by what he had heard the

landlord and frequenters of the Hanover say last night about this man's clock? They said that when the clock was wound up by night the winding up \_always\_ took place in the half hour between midnight and half-past twelve, and furthermore that on no occasion but one, and that one when Leigh was out of town, that one and singular occasion being the night before his visit to the Hanover, had a soul but the dwarf been seen in the clock room or admitted to it. This affair must be looked after at once. It admitted of no delay. He would go to the Hanover and early enough to try some of their rum hot, of which he had heard such praises last night. This was the substance of

Stamer's thinking, though not the words of his thought. On his way to Chetwynd Street he thought: "He wants to get evidence against Timmons, and he wants to get evidence against \_me\_ for the police. If he doesn't get it from Timmons pockets next Thursday, he'll get it some other way soon, and then Timmons and I will be locked up. That must be prevented. He is too clever for an honest, straightforward man like Timmons. It isn't right to have a man like that prying into things and disturbing things. It isn't right, and it isn't fair, and it must be stopped, and it shall be stopped soon, or my name isn't Tom Stamer. I may make pretty free in this get-up. It belonged to a

broken-down bailiff, and I think I look as like a broken-down bailiff as need be. When Timmons didn't guess who I was, I don't think anyone else will know, even if I met a dozen of the detectives."

### Anatomy of a Miracle

Blue Walrus Books

Throughout the world, the Virgin Mary is likely the most revered and recognized female saint. People flock to locations where there have been sightings and miracles attributed to her. On every continent prayers for healing, blessings and her intercession are spoken by the ill, needy and devoted spiritual seekers. Unfortunately, her most important message to humanity remains a secret. It is a shame that so few know and understand

the significance of her path and the co-creative divine power that she brings to the individual. There is a global shift taking place. The earth is on the brink of ecological, economic and humanitarian disaster. We have run the gamut of human solutions and limited thinking. The divine feminine is re-emerging and leading the way to co-create personal and collective abundance, health, well-being and unlimited possibilities. Mary is the pattern for miracles. This book, *The Miracle Workers Handbook*, shows you how to invoke her presence, live in her love and become a miracle worker. *Continent* Abingdon Press  
Miracle from the Heart

shares the story of author Irene Sonja Fananes journey from a state of religious confusion to one of spiritual awakening and self-empowerment. This illuminating discovery of personal divinity and God unfolds as Irene Sonja opens herself up to telepathic communication with the Voice from beyond and the presence of guides and angels. The book recounts a mystical adventure filled with metaphysical insights, realizations, and descriptions of countless experiences with the other side. It is an inspirational story for those who seek spiritual enlightenment at levels beyond the conventional. The inspired messages of spiritual awakening

flow generously from the nonphysical world of unconditional love. They reference the Bible including the apocalyptic prophecies and other prophetic sources from around the world. They explain the ever-growing awareness of Christ Consciousness the recognition and blending of the human mind with the Christ within that is the source of human happiness and fulfillment. Miracle from the Heart offers an urgent message for the current planetary crisis and stresses the importance of understanding universal oneness as the only way to peace.

Blue Walrus Books

“Funny, bighearted...Miles specializes in giving fully rounded humanity to characters who might elsewhere be treated as stock figures...pitch-perfect.” — New York Times Book Review “Miles is a writer so virtuosic that readers will feel themselves becoming better, more observant people from reading him.” — Los Angeles Review of Books A profound new novel about a paralyzed young man’s unexplainable recovery—a stunning exploration of faith, science, mystery, and the meaning of life Rendered paraplegic after a traumatic event four years ago, Cameron Harris has been living his new existence alongside his sister, Tanya, in their

battered Biloxi, Mississippi neighborhood where only half the houses made it through Katrina. One stiflingly hot August afternoon, as Cameron sits waiting for Tanya during their daily run to the Biz-E-Bee convenience store, he suddenly and inexplicably rises up and out of his wheelchair. In the aftermath of this “miracle,” Cameron finds himself a celebrity at the center of a contentious debate about what’s taken place. And when scientists, journalists, and a Vatican investigator start digging, Cameron’s deepest secrets—the key to his injury, to his identity, and, in some eyes, to the nature of his recovery—become

increasingly endangered. Was Cameron's recovery a genuine miracle, or a medical breakthrough? And, finding himself transformed into a symbol, how can he hope to retain his humanity? Brilliantly written as closely observed journalistic reportage and filtered through a wide lens that encompasses the vibrant characters affected by Cameron's story, *Anatomy of a Miracle* will be read, championed, and celebrated as a powerful story of our time, and the work of a true literary master. *Stardust Miracle*

Three Months with the Spirit is popular author Justo Gonzalez study of the Acts of the Apostles. Eminently readable, the study uses the see-judge-act method to bring readers closer to the text and informs and challenges the daily life

of the Christian. These thirteen studies can be used for Sunday school, for evening Bible study, for home study meetings, for faith communities, for retreats, and for personal Bible study. In addition, Three Months with the Spirit can easily be used as a daily Bible study as each lesson is divided into seven parts.

*IS THE QURAN THE WORD OF GOD?*

iUniverse

The book of Isaiah places a distinctive emphasis on the miraculous. It speaks about the miraculous more than any other book of Scripture. Because miracle runs through the whole of the prophecy, careful attention to it, as John Goldingay gives it here, not only unfolds the message of Isaiah

but allows the theme to become a detailed commentary on the God of miracles. Miracle is a tricky word, so Goldingay defines what is meant by the miraculous in Isaiah before considering the miraculous features throughout the book: in testimonies to Yahweh's extraordinary communication with people such as prophets, in reminders of Yahweh's extraordinary acts long ago, in reports of the extraordinary acts whereby Yahweh rescues his people within the book's temporal framework, in promises of Yahweh's extraordinary acts of restoration in the future, and in Yahweh's extraordinary acts toward other peoples. What of the miracles of long ago? Did God

create the world, devastate it and then start it off again, summon Abraham, deliver Israel from Egypt, drown the Egyptian army in the Red Sea, take the Israelites through the wilderness, dispossess the Canaanites, defeat the Midianites? What about the miracles that come after, including those witnessed in the New Testament--especially the raising of Jesus from the grave? Goldingay points to the interweaving of miracle with narrative in Isaiah itself to provide a clue: these are stories about real events which, with the help of the Spirit of God, have become narratives that captivate and edify. **Miracle** Hearthstone Publishing  
Everyone is looking for

a miracle. Families devastated by a faltering economy. A college student facing the horrific diagnosis of cancer. Corporately, whole nations are teetering on the brink of despair and chaos. The Miracle of Israel is a stunning examination of the millennia-old love that God has for His people that: Clearly conveys the promise God gave to Abraham Examines the ancient prophecies regarding Israel that have happened and are unfolding even today Provides an easy-to-read timeline of miracle after miracle related to the nation of Israel Tracing the history of the Jewish people to the present day, the authors look at prophecy after prophecy that clearly attest to the Lord's

miraculous promises. From historical records to personal, dramatic stories, the Miracle of Israel shows us that in keeping epic promises to the nation of Israel, God's provision for each of us is sure, perfect, and on time, every time.

In 2007, Raymond's life changed forever when he received a phone call that his four-year-old daughter, Bella became paralyzed overnight. Bella was diagnosed with stage 4, cancer. Experts the world over believed that Bella would never walk again and had only a few months to live. By miracle, today Bella can walk, run, jump, and is cancer free! Why Not Me? describes, in a very

inspirational tone, how Raymond believes there is a divine purpose for everything. Raymond is an executive who dedicates his free time to helping cancer families and others to live lives of purpose, balance & victory. He holds the title of Sir. Knight in the Knights of Columbus and enjoys giving back to his community. He lives in Miami with his daughters and his wife Shannah. Bella's story illustrates the power of prayer and that God does exist and is alive in our world. This book, which describes the officially investigated miracle "story behind the story", is sure to inspire you! "Rarely do you find a story that underscores how great God is and how He is moved by simple

unrelenting faith and sincere prayer. Why Not Me? will bring you to tears and then touch you with a joy that only happens when you have witnessed a miracle. As you walk with Bella on this amazing trip, her words will rekindle your faith and challenge you to trust God. If you have never believed, you will surely wonder why you haven't. If you believe, here's another reason why we do." Joel Downing, Senior Pastor, Higher Ground Church, Paul's Valley, Oklahoma "As a physician trained in pediatric imaging often diagnosing terrible diseases, witnessing Bella's miracle challenged me to re-examine my own faith. Why Not Me? stands as a powerful witness to

God's call for us to be faithful. No matter your faith or lack of it, this story as told through the eyes, ears, and heart of a loving father will move you closer to God." Shawn Fibkins, MD, Pediatric Radiologist, Broward County, Florida

**Miracle Gold (Vol. 3 of 3) A Novel**

John Hunt Publishing  
Victor N. Alvarez was fifteen when his family moved from Lima, Peru, to San Antonio, Texas in 1962.

Comprehending little if any English when he arrived in the US, Victor taught himself to read, speak, and write English. Hard work and surefooted faith led to Victor earning bachelor's degrees in psychology and Spanish from Thomas A. Edison College Newark, New Jersey in

1972. The son of a pastor, and once a professor of homiletics at Mennonite Bible College in San Antonio, Texas, Victor himself has been an evangelist and a pastor for forty years. During that time, he has taught and preached about proper spirituality in many different lands and social settings: tents, jails, auditoriums, radio, and TV included. Faith is a favorite topic for Victor to lecture about. His book, 12 Secrets to a Miracle-Working Faith, has been composed for the purpose of aiding anyone who wants to improve their ability to receive miracles from God.

**Three Months With the Spirit** NYU Press  
Uncovers what the sociology of religion would look like had it

emerged in a Confucian, Muslim, or Native American culture rather than in a Christian one. Sociology has long used Western Christianity as a model for all religious life. As a result, the field has tended to highlight aspects of religion that Christians find important, such as religious beliefs and formal organizations, while paying less attention to other elements. Rather than simply criticizing such limitations, James V. Spickard imagines what the sociology of religion would look like had it arisen in three non-Western societies. What aspects of religion would scholars see more clearly if they had been raised in Confucian China? What could they learn about religion from Ibn

Khaldun, the famed 14th century Arab scholar? What would they better understand, had they been born Navajo, whose traditional religion certainly does not revolve around beliefs and organizations? Through these thought experiments, Spickard shows how non-Western ideas understand some aspects of religions—even of Western religions—better than does standard sociology. The volume shows how non-Western frameworks can shed new light on several different dimensions of religious life, including the question of who maintains religious communities, the relationships between

religion and ethnicity as sources of social ties, and the role of embodied experience in religious rituals. These approaches reveal central aspects of contemporary religions that the dominant way of doing sociology fails to notice. Each approach also provides investigators with new theoretical resources to guide them deeper into their subjects. The volume makes a compelling case for adopting a global perspective in the social sciences.

The International Cyclopaedia  
WARD  
AND DOWNEY

Stress, pain, grief... Do you need a miracle? They still happen, says Wuellner, a wise spiritual director, counselor and healer. She's a witness to their

power and mystery.

"Fifty years ago, as a young pastor, I probably would've denied it," she writes.

"But over the years I have become humbler, listening and observing more. Yes, acts of wonder still occur surprisingly often in the physical world.

"!God works closely in, with and through us as every atom, each cell, every thought and action open to reveal God's love."

Televangelists have sullied them, but the mystery of miracles fit into the biblical and theological framework of today. Rediscover their wonder and power. Focusing on seven of Jesus' miracles, Wuellner invites you to consider: What does this story tell me about God and how God feels for me?

How can this story help me with my problem? Wuellner explores the many ways God's generous goodness and mercy are available to each of us. For anyone facing illness or a life crisis, *Miracle* opens the depths of spiritual richness for living a full life in spite of it all. Each chapter ends with a guided meditation. In these stories and meditations, you'll discover Christ's power to touch your intense hurts. Christ can transform them into a life of miracles.

**When There is No**

**Miracle** Penguin

In this controversial book Jan de Vries considers modern miracles as well as the 'miracle of Lourdes'. He discusses witch doctors and what he has personally witnessed in the Far East. He warns

against exorcism and talks of the many 'possessed' people he has treated. He also shares with his readers some of the mysterious ways that alternative medicine has worked 'miracles' for thousands of patients.
