International Publications
Christianity Today 2020
Book Award (Award of
Merit, Theology/Ethics)

Outreach 2020
 Recommended Resource
 of the Year (Theology and
 Biblical Studies) The
 question of what makes
 life worth living is more
 vital now than ever. In
 today's pluralistic,
 postsecular world,
 universal values are
 dismissed as mere
 matters of private
 opinion, and the question
 of what constitutes
 flourishing life--for
 ourselves, our neighbors,
 and the planet as a whole--
 is neglected in our
 universities, our churches,
 and our culture at large.

Although we increasingly
 have technology to do
 almost anything, we have
 little sense of what is truly
 worth accomplishing. In
 this provocative new
 contribution to public
 theology, world-renowned
 theologian Miroslav Volf
 (named "America's New
 Public Intellectual" by
 Scot McKnight on his Jesus
 Creed blog) and Matthew
 Croasmun explain that the
 intellectual tools needed
 to rescue us from our
 present malaise and meet
 our new cultural challenge
 are the tools of theology.
 A renewal of theology is

crucial to help us
 articulate compelling
 visions of the good life,
 find our way through the
 maze of contested
 questions of value, and
 answer the fundamental
 question of what makes
 life worth living.

Integral Spirituality

Klett / Kallmeyer

In *The 21st Century Voice: Contemporary and Traditional Extra-Normal Voice*, Michael Edward Edgerton considers contemporary vocal techniques within an advanced acoustic and

anatomical framework. Throughout, he proposes new directions for vocal exploration. Much more than a treatise on twentieth-century vocal science and study, *The 21st Century Voice* explores experimental methods of sound production, offering a systematic series of approaches and methods for assessing, engaging, and, in some instances, overcoming the assumed limits of vocal singing.

Real Rare Poetry Presents: Kings Work
AAPC Publishing

This book discusses Bangladesh's economic and social development that may be called a "miracle" since the country has achieved remarkable development progress under several unfavorable situations: weak governance and political instabilities, inequality, risks entailed in rapid urbanization, and exposure to severe disaster risks. The authors examine what led to this successful economic development, and the potential challenges that it presents, aiming to

elicit effective policy interventions that can be adapted by other developing countries.

In 2003, Brad Warner blew the top off the Buddhist book world with his irreverent autobiography/manifesto, *Hardcore Zen: Punk Rock, Monster Movies, and the Truth about Reality*. Now in his second book, *Sit Down and Shut Up*, Brad tackles one of the great works of Zen literature, the *Shobogenzo*, by

thirteenth-century Zen master Dogen. Illuminating Dogen's enigmatic teachings in plain language, Brad intertwines musings on sex, meditation, death, God, sin, and happiness with an exploration of the punk rock ethos. In chapters such as "Evil Is Stupid," "Kill Your Anger," and "Enlightenment Is for Sissies," Brad melds the antiauthoritarianism of punk with that of Zen, mixing in a travelogue of his triumphant return to Ohio to play in a reunion concert of Akron punk

bands. For those drawn to Buddhist teachings but scared off by their stiff austerity, Brad writes with a sharp smack of truth, in teachings and stories that cut to the heart of reality.

Penguin

This groundbreaking volume thoroughly explores the intriguing and sometimes baffling phenomenon of positive adaptation to stress by children who live under conditions of extreme vulnerability. Examining the determinants of risk, the development of

competence in the midst of hardship, and the nature of stress-resilience, THE INVULNERABLE CHILD will be of profound interests to psychiatrists, developmental and clinical psychologists, social workers, nurses, educators and social scientists, and all those involved in the psychosocial well being of children.

Over the last few years, innovative self-help methods have convinced many people of a new

worldview. Quantum Entrainment® (QE) is the newest development in this area: QE works with gentle touch that quietly activates the autonomic nervous system to spontaneously and naturally create an atmosphere in which deep healing can take place.

This amazing self-help method is easy to use and needs no previous knowledge—it can be applied by everyone! And what is most astonishing: not only does the treated individual receive deep, restful healing; but the

person who is using QE will also experience an immediate, prolonged sense of well-being. Give it a try—you will be surprised by how powerful Quantum Entrainment is! It works in minutes, is easily taught, requires no special training, and even works on pets!

Sit Down and Shut Up

SAGE Publications, Incorporated

The inaugural publication of the Wexner Center for the Arts at Ohio State U. is an abundantly illustrated survey of the activities of avant-garde

artists, musicians, performing artists and film and video makers in three different eras--the fifties and sixties, the sixties and seventies and the eighties to the present--paralleling the exhibitions and programs of the Center's first year. The large format (10x13.5") allows ample room for display of representative work to accompany the more than 40 essays. Annotation copyrighted by Book News, Inc., Portland, OR [An Historical Geography of Iran](#) Samuel French

Ein professioneller Umgang mit Kindern erfordert es, sich seiner eigenen Muster und Strategien, ihrer Ursprünge und ihrer Auswirkungen bewusst zu sein. Dafür ist es wichtig, sich im Alltag zu beobachten, das eigene Handeln zu reflektieren und auf diese Weise Veränderungen anzustoßen. Was triggert mich, welche Gefühle regen sich in mir, welche Beziehungsmuster lebe ich, und wo könnte das seinen Ursprung haben? Nur wer sich selbst kennt,

kann als Fachkraft auch mit Kindern achtsam umgehen.

Sich seiner selbst bewusst sein Verlag Herder GmbH

In Peer Feedback in the Classroom, National Board Certified Teacher Starr Sackstein explores the powerful role peer feedback can play in learning and teaching. Peer feedback gives students control over their learning, increases their engagement and self-awareness as learners, and frees up the teacher to provide targeted

support where it's needed. Drawing from the author's successful classroom practices, this compelling book will help you Gain a deeper understanding of what meaningful feedback looks like and how it can be used as a tool for learning. Establish a respectful, student-led learning environment that supports risk taking and honest sharing. Teach students to be adept peer strategists who can pinpoint areas of needed growth and move forward with specific strategies for

improvement. Develop cooperative student expert groups to help sustain effective peer feedback throughout the year. Use technology to enhance collaboration, streamline the learning and revision process, and strengthen students' digital citizenship skills. The book also includes extended reflections that express, in students' and teachers' own words, the approach's powerful effect on their practice. Invite students to be your partners in learning, and enrich your collective

classroom experience. *Peer Feedback in the Classroom* Colonial Williamsburg Das Enneagramm ist ein bekanntes Modell aus der Typenforschung und besonders für Leitungen in sozialen Einrichtungen ein erfolgreiches Instrument zur Mitarbeiterführung. Mit seinen neun Grundtypen eröffnet es eine neue Perspektive auf die Kommunikation mit dem Kita-Team: es fördert das Verstehen der Verschiedenheiten aller Teammitglieder, das

Vermeiden von Missverständnissen sowie die Verbesserung der Kommunikation. Mit einer Fülle an Beispielen aus der Kita können Leitungen wertschätzend den eigenen Typ und die Typen des Teams erkennen und gewinnbringend für die Kita einsetzen. Schritt für Schritt zum Ziel: Entspannt leiten!
Leitfaden Sprechen in der Schule Brazos Press
 This book aims to make a contribution to the theory, research and practice on quality and equity in

education by providing a comprehensive overview of these two dimensions of educational effectiveness and proposing a methodological instrument that may be used to measure the contribution that each school can make to promoting equity. The importance of using this instrument is demonstrated by analysing results of various effectiveness studies conducted over the last decade. The book draws upon research

across the world, especially research conducted in the Europe, the United States, and Australasia. It is shown that promoting equity has no negative effect on the promotion of quality. The importance of using this methodological instrument to identify factors that promote both quality and equity at different educational levels (i.e. teacher, school and educational system) is stressed. The book also demonstrates how we can measure stability and changes in the

effectiveness status of schools over time in terms of fostering quality and equity. In addition it underlines the importance of identifying factors measuring changes in the effectiveness status of schools in terms of equity and points to the alternative strategies that can be used at school and system level. In our attempt to encourage the further development and use of this methodology for school improvement purposes, we demonstrate how experimental studies can

be conducted to discover whether and under which conditions the proposed methodology can help schools promote both quality and equity. Finally, implications for school evaluation, research, educational policy and practice are drawn. In this way, the book contributes significantly to the debate on how quality and equity can be achieved and encourages policy-makers and practitioners not to view these two dimensions of effectiveness as being in competition with each

other but as constituting the major objectives of any reform policy and/or improvement effort at school and/or national levels.

Breakout at Stalingrad

Verlag Herder GmbH

When sylvia's boyfriend Robin walks out on her she decides on a rather unconventional method of finding a replacement. Determined not to be let down a second time, she has carefully arranged a timetable in order to "try out" various assorted lovers and assess their suitability before making

her final choice of a potential husband. But timetables have a way of going wrong... A torrent of confusions and mistaken identities inevitably arise as Sylvia and her friend Jemma try, with unexpected and hilarious results, to prevent the final confrontation of the three trial husbands. A delightfully comic climax ensues.

The 21st-Century Voice
Verlag Herder GmbH
Bilderbücher werden im Unterricht der Grundschule oft als motivierendes

Impulsmedium verwendet, um mit Schüler*innen über bestimmte Themen - wie z. B. Angst, Glück, Mobbing oder Klimaschutz - ins Gespräch zu kommen. Insbesondere für den Deutschunterricht eröffnen Bilderbücher darüber hinaus vielfältige Potenziale für mehrdimensional-narrative Lehr- und Lernprozesse. Der Sammelband versteht sich als Plädoyer, Bilderbücher als literarästhetischen Gegenstand

wahrzunehmen und ihnen Wege in den Literatur- und Sprachunterricht der Grundschule zu ebnen. Er richtet sich an Lehrer*innen, (Lehramts-)Studierende sowie Lehrende und Forschende an Universitäten und in der Lehrer*innenbildung. Es werden Perspektiven auf Gegenstand, Akteur*innen und Unterricht eröffnet, die in unterschiedlicher Weise vom Bilderbuch ausgehen und auf das Bilderbuch hinarbeiten. Die Beiträge setzen sich mit folgenden Schwerpunkten

auseinander:
 Neuerscheinungen auf dem Bilderbuchmarkt, Briefe in Bilderbüchern, Verwandlungen von Märchenbilderbüchern, Fiktionalität und Fiktionsverstehen, Paratextualität, Imaginationsbildung, Figurenperspektiven, Vorlesen von Bilderbüchern und Bilderbuchgespräche, Diversität, Textschreiben, Sprachproduktion und Mehrsprachigkeit. Des Weiteren werden sowohl ein Bilderbuch als auch eine Unterrichtsszene

kontrovers diskutiert. Der Sammelband ist eine Einladung, eigene Perspektiven vom Bilderbuch aus und zum Bilderbuch hin zu entwickeln und dabei eine Vielzahl an Bilderbüchern und didaktischen Möglichkeiten kennenzulernen, die Lust machen, mit ihnen im Unterricht, Studium und in der Forschung zu arbeiten.
[New England Furniture at Williamsburg](#) Harper Collins
 Addressing the need for a dynamic change in the

formula schools use to mold their students, this groundbreaking guide provides a new approach to education that serves the lives of everyone in the learning community. By implementing the unique communication skills outlined, educators can promote cooperation and understanding and address many of the complex problems faced in the classroom. Teachers will learn new skills to increase student interest, achievement, and retention, as well as create a safe and

supportive learning and working atmosphere. They are also given strategies for cultivating emotional intelligence, respect, authenticity, and empathy and are empowered to resolve conflict and prevent or defuse violence. The end result helps teachers rediscover the joy of teaching motivated students.

Moving Body (le Corps Poetique). Kohlhammer Verlag

The original version of the classic novel of the epic World War II battle,

confiscated by the Russian secret services in 1949, and now rediscovered in the Russian archives.

Healing Your Aloneness Bloomsbury Publishing

This catalog illustrates and describes 164 pieces of New England furniture in the Colonial Williamsburg collection, including examples of nearly every type of household furniture made and used during the colonial period.

Überzeugen! Verlag Herder GmbH

The New York Times and #1 internationally bestselling author of the Department Q series is back, with a terrifyingly relevant stand-alone novel about an America in chaos. Sixteen years before Democratic Senator Bruce Jansen was elected president of the United States, a PR stunt brought together five very different people: fourteen-year-old Dorothy "Doggie" Rogers, small-town sheriff T. Perkins, single mother Rosalie Lee, well-known journalist John Bugatti, and the teenage son of

one of Jansen's employees, Wesley Barefoot. In spite of their differences, the five remain bonded by their shared experience and devotion to their candidate. For Doggie, who worked the campaign trail with Wesley, Jansen's election is a personal victory: a job in the White House, proof to her Republican father that she was right to support Jansen, and the rise of an intelligent, clear-headed leader with her same ideals. But the triumph is short-lived: Jansen's

pregnant wife is assassinated on election night, and the alleged mastermind behind the shooting is none other than Doggie's own father. When Jansen ascends to the White House, he is a changed man, determined to end gun violence by any means necessary. Rights are taken away as quickly as weapons. International travel becomes impossible. Checkpoints and roadblocks destroy infrastructure. The media is censored. Militias declare civil war on the

government. The country is in chaos, and Jansen's former friends each find themselves fighting a very different battle, for themselves, their rights, their country . . . and, in Doggie's case, the life of her father, who just may be innocent.

The Secret of Instant Healing Apollo

Using his skills as a journalist, historian, and memoirist, Sebastian Haffner (author of *The Meaning of Hitler*) traces the development of the German Empire (1871-1945) and the

central role of warfare that characterized the Reich. Haffner contends that Germany's unfavorable geographic position had much to do with the state's belligerence and that, from its inception, created the conflicts that culminated in two world wars. "The fruit of decades of study, the moving and sometimes very personal testament of an author whose works more than any others have influenced public opinion and challenged academic historians." —

Die Zeit "A brilliant work from the top hat of a powerful historical magician." — Rudolf Augstein, *Der Spiegel* "A thoroughly successful work." — *Wiener Tagblatt* "A book with more historical insights than a whole pile of learned volumes." — *Münchener Abendzeitung* "The history of the Third Reich in just 43 pages? Impossible to do more than discuss a few features superficially. But not with Sebastian Haffner. This brilliant thinker — a journalist

turned historian — reveals the fundamental lines of development in a way that anyone can follow. The pages bristle with questions and unexpected answers. The 300 pages of 'The Ailing Empire' contain more clever and original insights into German history between 1871 and 1945 than many a weighty tome." — Dieter Wunderlich "This illuminating survey by a German journalist focuses on the continuities and discontinuities of the modern German Reich ... Haffner argues that the

founding of the state was never regarded as a climactic achievement but rather as a springboard for expansion, and that Germany's unfavorable geographic position had much to do with the state's armed belligerence. The author also contends that the Reich was self-destructive almost from the beginning, creating a host of enemies who brought it to its knees in two world wars and eventually divided it. He describes how Hitler accelerated the catastrophic finish of the

Reich by inopportunistically taking on both the Russians and Americans, then tried to turn military defeat into the annihilation of the German people with his Nero Directive of March 18-19, 1945." — Publishers Weekly "[The Ailing Empire] tells the story of yesterday's Germans who made today. It is a story Americans must understand." — San-Diego Union "Sebastian Haffner has written a book that traces the path of Germany's political self-

destruction, and offers a realistic account of the war's real causes ... It is a highly readable analysis of the road from Bismarck to Hitler ... This book, based on many previously unpublished accounts, is a devastating portrait of human society." —Chattanooga Times "This is a highly readable analysis of German history over the last century. A long-time journalist, Haffner asserts that the foundations of the German Reich were an inadequate basis for a modern nation state and

contained the seeds of its own destruction. Though lacking documentation, Haffner's first-hand recollections of the Nazi era are most interesting. Particularly noteworthy are his observations on daily life during the regime and his judgment

regarding those literary and artistic 'antis' who chose 'internal emigration' within the Hitler state." — Library Journal
For the Life of the World
 Scarecrow Press
 Describes what life is like

for people living with Asperger's syndrome from both the parent and patient, and focuses on the changes that take place when children reach adulthood, and includes issues surrounding college, dating, and depression.
