"Always remember that  
there will be times when

you will have to stand up.  
Just be available when  
you are called. Be  
available!" Meet Morgan &  
Clarke—Two inquisitive,  
fun-loving sisters who,  
with the help of a magical  
gift from their  
grandmother, travel back

in time and learn tough  
life lessons along the way!  
Their first journey takes  
them on an unsuspected  
and dangerous expedition  
on the Underground  
Railroad. There, they  
meet Harriet Tubman,  
who—with a rifle to ward

off pursuers and their ferocious dogs in one hand, and a torch to light the darkness in the other—guides slaves from the South to freedom up North. Morgan and Clarke encounter unforeseen perils on their voyage, but their grandma's quilt shields them from all harm...And gives them the courage to stand up for what's right!

100 years after Karel Capek coined the word, "robots" are an everyday idea, and the inspiration for countless stories in books, film, TV and games. They are often among the least privileged, most unfairly used of us, and the more robots are like humans, the more interesting they become. This collection of stories is where robots stand in for us, where both we and they are disadvantaged, and where hope and optimism shines

through. INCLUDING

 No one can tell who made  
 the spheres with twelve  
 faces or why or what the

Romans called them:  
 maybe Corpus Sacrum.  
 Maybe something else.  
 We refer to them as  
 pentagon-dodecahedra.  
 But that is a modern  
 word, and an uncouth  
 one, too. A hundred are  
 known. Many have been  
 found in France, in  
 Belgium, they seem  
 highly concentrated in  
 southern England and at  
 the middle course of the  
 river Rhine. There are as  
 many assumptions on  
 their use as there are  
 dodecahedra. None is  
 conclusive. Alas, the  
 classical authors have not

mentioned or described  
 them. Or have they?  
 There is a haunting quote  
 by a man from the second  
 century, Marcus Valerius  
 Martialis. He referred to  
 mysterious items he  
 called the Pilae Mattiacae  
 – the Mattiacian Spheres:  
 Sapo: Si mutare paras  
 longaevos cana capillos,  
 Accipe Mattiacas - quo tibi  
 calva? - pilas. Soap: If you  
 want to change your  
 highly aged hair, use Pilae  
 Mattiacae - why have a  
 bald head? No one has  
 excavated a Pila Mattiaca  
 or found its image, and it  
 was never mentioned

again. The only clue we have is its name. The Mattiaci were the people who lived in the Roman age at the middle Rhine, right where so many spheres of twelve faces have been found. So what if – just if – the Pilae Mattiacae and the dodecahedra were one and the same thing? And once they may have attracted the attention of a stargazer who understood how to use them. And he made them his tools of power. The tale of the numinous spheres with twelve faces

is told in this and the following parts of the Corpus Sacrum trilogy!

**Introduction To Algorithms** Bainbridge Editions

An extensively revised edition of a mathematically rigorous yet accessible introduction to algorithms.

**Inclined to Liberty** Cambridge University Press

Start with a single shape. Repeat it in some way-translation, reflection over a line, rotation around a point-and you have created symmetry.

Symmetry is a fundamental phenomenon in art, science, and nature that has been captured, described, and analyzed using mathematical concepts for a long time. Inspired by the geometric intuition of Bill Thurston *Known Shippable, Will Not Fix* John Podlaski Hamon takes readers on a journey throughout the history of the church. Beginning at the origination of the church in the 1st Century, he proceeds to its deterioration during the Middle Ages to the

restoration of the church from the time of the Reformation to the present.

*Andrew Jackson*

Cambridge University Press

Sixteen-year-old Eliza O'Neill has always kept a secret from her family and friends, never telling anyone what she is truly capable of. She attributes her actions to luck, being at the right place at the right time. Deep down, she knows the power within is something beyond her control. Her entire body goes on

autopilot by an insatiable impulse with a life of its own whenever someone is in peril. It has been there for as long as she can remember, and the older she gets the stronger the pull. All she ever wanted was to be an ordinary girl, but a life of normalcy seems suddenly out of reach.

*Michael Brein's Guide to Barcelona by the Metro* Th Ink

This work presents the only comprehensive collection of this fascinating material. Whereas earlier attempts

by others have been limited either to individual broadsheet collections or to selected topics, this 11-volume collection reproduces all known extant German political broadsheets of the 17th century along with their numerous variant editions. In all, over 3000 broadsheets are reproduced in full-page size, and for each one all known copies are cited. Two decade's work has been needed to draw this material from over 180 libraries, museums, archives, and private

collections in seventeen countries. At least 80% of the broadsheets reproduced in these volumes have never appeared in print since the 17th century. Many of them are extremely rare; over 30% are extant in only one or two copies. The Book of Hours of Catherine of Cleves Walter de Gruyter GmbH & Co KG Michael Brein's Barcelona Travel Guide helps you get to the city's top 50 visitor attractions easily and cheaply using Barcelona's excellent

Metro system. From the Sagrada Familia to Las Ramblas, with this ultra simple guide you have all you need to discover and get to Barcelona's 50 top points of interest or Barcelona's top 10 "Must See" attractions if you have limited time. The guide also helps you find the nearest Metro station and which lines to take; see how to exit the station and walk to the attraction; note other nearby points of interest; view the attraction's location on the official Barcelona Metro map; and

get to attractions without needing wireless internet access. Michael Brein's Barcelona Travel Guide is compact, concise, and comprehensive and is so simple and convenient to use--it is really all you need on your mobile device to get to all of Barcelona's top sights. And since it's based on Michael Brein's acclaimed travel guide series to sightseeing by public transportation, it's the simplest way to get around the world's big cities. Similar guides to London, Los Angeles,

Honolulu, Chicago, Madrid, Paris, Washington, DC and are also available and others are planned. This is the 'full' expanded PDF version of Michael Brein's Travel Guide to Barcelona which includes an ultra-large, zoomable official map of Barcelona's metro system with embedded links to visitor attractions. This version of the Barcelona guide is optimized for desktops and tablets. A 'lite' version (\$3.99) for mobile devices is also available but without these special

features of the 'full' expanded edition.

**The Julian Chapter: A Wonder Story** Edward Elgar Publishing  
Don't let your thoughts and fears define you. In *Overcoming Harm OCD*, psychotherapist Jon Hershfield offers powerful cognitive behavioral therapy (CBT) and mindfulness tools to help you break free from the pain and self-doubt caused by harm OCD. Do you suffer from violent, unwanted thoughts and a crippling fear of harming others? Are you afraid to

seek treatment for fear of being judged? If so, you may have harm OCD—an anxiety disorder associated with obsessive-compulsive disorder (OCD). First and foremost, you need to know that these thoughts do not define you as a human being. But they can cause a lot of real emotional pain. So, how can you overcome harm OCD and start living a better life? Written by an expert in treating harm OCD, this much-needed book offers a direct and comprehensive

explanation of what harm OCD is and how to manage it. You'll learn why you have unwanted thoughts, how to identify mental compulsions, and find an overview of cognitive-behavioral and mindfulness-based treatment approaches that can help you reclaim your life. You'll also find tips for disclosing violent obsessions, finding adequate professional help, and working with loved ones to address harm OCD systemically. And finally, you'll learn that your thoughts are

just thoughts, and that they don't make you a bad person. If you have harm OCD, it's time to move past the stigma and start focusing on solutions. This evidence-based guide will help light the way.

**The German Political Broadsheet, 1600-1700: 1633-1648**

The Alpha Division LLC Simply Beautiful, Rooted in Him takes you on a journey through some of life's challenges while striving to see the beauty of Christ in them and discovering the beauty

within ourselves. From forgiveness and mercy to redemption and grace, the stories are captivating, comforting and concise.

**The Martian Cat** Destiny Image Publishers  
The revolution of Catalonia in 1640 was a signal event in seventeenth-century Europe. Its causes and antecedents - essential for an understanding of the revolution itself - form the basis of Professor Elliott's study of the Spanish monarchy at this time. They throw

remarkable light on the whole question of the decline of Spain in the seventeenth century from its position of pre-eminence in Europe. From the fierce suppression of Catalan bandits by their Castilian overlords during the second decade of the century, Professor Elliott traces the gradual deterioration of relations between the principality of Catalonia and the government in Madrid. He shows how Olivares, the favourite and chief minister of Philip IV, attempted to use Catalan

resources to fight Spain's foreign wars, and how the growing tension led ultimately to a revolution, which he suggests played a crucial part in Spain's decline. Professor Elliott's story is almost entirely based on previously unknown documents found in the Spanish national and local archives. These sources enabled him to write the first full-scale treatment of Olivares and his policies. While exciting as a story in its own right, it also stands as a case-history of the perennial

struggle between regional liberties and the claims of central governments.

### **Overcoming Harm OCD**

Harrassowitz

Covers sights, hotels, restaurants, shopping, entertainment, and maps. Provides information that places Spain in geographical, historical and culture context.

*and Design of Computer Systems* National Council of Teachers of Mathematics, Incorporated High school senior, Lydia Hawthorne, is less than grateful when Oberon has her snatched from the mortal world and she finds out she's actually Fae. And not just any Fae, but a trueborn with enough inherent magic to tip the balance between Oberon and Titania's warring Bright and Shadow courts. But that's their game and she doesn't want to play by

their rules. Together with Clive Barrow, a Bright Court Fae with embarrassing family ties to the mortal world, Lydia fights to regain her old life, fueling her Fae magic with the very human power of love and loss, challenging the essential nature of Faerie itself.  
*Every Second Counts*  
Through Black Eyes  
Publishing  
Experience True  
Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens  
Point of View Has  
Christianity kept women

trapped in the stone age?  
 In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new

feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and

Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichés that minimize a womans true position in Christ!  
Principles to Actions  
 Codex Regius  
 WONDER IS NOW A MAJOR MOTION PICTURE  
 STARRING JULIA ROBERTS AND JACOB TREMBLAY!  
 Over 6 million people have read the #1 New

York Times bestseller *Wonder*—the book that inspired the Choose Kind movement—and have fallen in love with Auggie Pullman, an ordinary boy with an extraordinary face. From the very first day Auggie and Julian met in the pages of R. J. Palacio's life-changing book *Wonder*, it was clear they were never going to be friends, with Julian treating Auggie like he had the plague. And while *Wonder* told Auggie's story through six different viewpoints, Julian's

perspective was never shared. Readers could only guess what he was thinking. Until now. The Julian Chapter will finally reveal the bully's side of the story. Why is Julian so unkind to Auggie? And does he have a chance for redemption?

**Shingaling: A Wonder Story** MIT Press

The EU's influence on sport has traditionally focused on the socio-economic and cultural impact. This Research Handbook on EU Sports Law explores the

development of the 'European dimension' in sport, and the concomitant legal issues including, competition law, state aid and free movement of persons. The application of such areas of EU law to sport and the influence of EU law on key policy issues such as, doping, match-fixing and governance, are detailed in this comprehensive collection. The topical chapters by experts in their field, also touch upon the future evolution of EU sports law.
