GAGE SARA

Once a Runner Routledge

This volume presents a cross-section of current Brecht studies, reflecting a variety of approaches and perspectives

ranging from detailed exegesis of particular texts to cultural criticism in the broadest sense. It provides analyses of Brecht's work and investigates his pervasive influence in 20th century literature. The studies collected here cover the whole of Brecht's career, from the early one-acter *Kleinbürgerhochzeit*

of 1919 to the Sinn und Form years immediately preceding his death, as well as his use of tradition and his legacy. By way of redressing a tendency in Brecht reception to regard him mainly as a dramatist, the volume covers novels, poetry, film, photography, journalism and theory as well as plays.

one else can.

DK Eyewitness Travel Guide: Munich & the Bavarian Alps BoD - Books on Demand

This thoroughly updated edition of Bradt's guide to Switzerland offers a unique perspective on getting the most from this mountainous country travelling only by public transport - a timely release with the Gotthard Base Tunnel transforming north-south train services. Switzerland boasts the world's finest public transport network, and the Swiss Travel System is a revelation. The comfort, efficiency and frequency of train, bus, boat and cable car services explain why so many Swiss don't own cars. Visitors cannot reach many of the finest Swiss sights by road, and there are over a dozen car-free resorts for

experiencing the peace and clean air of the mountains. For walkers and cyclists, there are superbly managed networks of paths - almost 64,000 kilometres of footpaths and many surprisingly unhilly cycle paths beside lakes and rivers. Bradt's Switzerland is unique. No other guide book is devoted to Swiss public transport, which is the easiest, most enjoyable and responsible way to travel. The guide offers depth and breadth of coverage, encompassing culture, architecture, landscapes, walking and cycling, and fascinating facts for railway enthusiasts! There's a host of tips for reducing costs in a country known for being expensive, while a new section on food and wine includes a list of top restaurants. Switzerland has some of the world's most beautiful landscapes;

though mountains and lakes cover most of the country's regions, each offers something quite different - and the four official languages add colour and variety. Switzerland's cities are among the world's most beautiful - and safest. Its capital, Bern, is a World Heritage Site with 6 kilometres of covered arcades, where even jaded shoppers will be enthralled by hundreds of independent shops. Luzern's lakeside setting is unrivalled, with mountains in every direction and the floodlit city walls providing a breath-taking backdrop to the historic centre. Lausanne and Geneva overlook Lac Léman, and Basel is enhanced by a broad sweep of the Rhine. With Bradt's *Switzerland: a guide to exploring the country by public transport*, you can enjoy all the qualities

that help ensure Switzerland and its cities are consistently ranked as the most liveable in the world.

Polyglott Lexicon: Being a New Dictionary Wallstein Verlag

Es ist Sommer in der südkalifornischen

Stadt Corona del Mar. Die beiden Freundinnen Mia und Lorrie Ann sind unzertrennlich. Doch als Lorrie Anns Vater stirbt, weiß Mia nicht, was sie für ihre Freundin tun kann. Und dies ist nur der erste von vielen schweren Schicksalsschlägen, die Lorrie Ann treffen werden ... Jahre später steht Lorrie Ann plötzlich wieder vor Mias Tür: barfuß, hungrig und vom Leben gezeichnet. Und Mia kann nicht verstehen, wie das Leben ihrer scheinbar makellosen Freundin so aus dem Ruder laufen konnte. Kann es sein, dass sie Lorrie Ann nie wirklich gekannt hat? Laufen Greenwood Publishing Group The debate over the concept of world literature, which has been taking place with renewed intensity over the last twenty years, is tightly bound up with

the issues of global interconnectedness in a polycentric world. Most recently, critiques of globalization-related conceptualizations, in particular, have made themselves heard: to what extent is the concept of world literature too closely connected with the political and economic dynamics of globalization? Such questions cannot be answered simply through theoretical debate. The material side of the production of world literature must therefore be more strongly integrated into the conversation than it has been. Using the example of Latin American literatures, this volume demonstrates the concrete construction processes of world literature. To that purpose, archival materials have been analyzed here: notes, travel reports, and correspondence between publishers and

authors. The Latin American examples provide particularly rich information about the processes of institutionalization in the Western world, as well as new perspectives for a contemporary mapping of world literature beyond the established dynamics of canonization.

Federalism, Subnational Constitutions, and Minority Rights Penguin

Look comparatively at the contributions of federalism and subnational constitutions to safeguarding minority rights and provides some of the first English-language studies of subnational constitutions outside of the United States.

Wie geht's? ABC-CLIO

Roman Villas explores the social structures of the Roman world by

analysing the plans of buildings of all sizes from slightly Romanized farms to palaces. The ways in which the rooms are grouped together; how they intercommunicate; and the ways in which individual rooms and the house are approached, reveal various social patterns, which question traditional ideas about the Roman family and household. J. T. Smith argues that virtually all houses were occupied by groups of varying composition, challenging the received wisdom that they were single family houses whose size reflected only the owner's wealth and number of servants. *Roman Villas* provides a meticulously documented and scholarly examination of the relationship between the living quarters of the Roman and their social and economic

development which introduces a new area in Roman studies and a corpus of material for further analysis. The inclusion of almost 500 ground plans, drawn to a uniform scale, allows the reader to compare the similarities and differences between house structure as well as effectively illustrating the arguments.

Roman Villas Short Books

Seit Emil acht Jahre alt war, ist Joel mehr oder weniger allein für seinen geliebten Sohn zuständig, weil Lea, Emils Mutter, bei einem Unfall ums Leben gekommen war. Ziemlich hilflos war Joel mit der Situation am Anfang, aber irgendwie hat sich im Laufe der Zeit doch alles ganz gut ergeben. Nur dass Emil seinen Eltern so gar nicht ähnelte, konnte niemandem, auch dem Kind nicht, verborgen bleiben.

Emil wurde als Säugling adoptiert. Seine leiblichen Eltern, damals selbst fast noch Kinder, verweigerten jeden Kontakt. Aber man wandelt ja durch die selbe Stadt! - und ist es nicht wahrscheinlich, dass man sich irgendwann wenigstens zufällig begegnet? Würde man die Eltern erkennen? Würde man erkannt werden? Suche und Abwehr laufen nebeneinander her und zugleich spannungsvoll ineinander. Als Joel im Alter den Tod nahen fühlt, verfällt er der verrückten Idee, diese Leerstelle in Emils Leben, der inzwischen 38 Jahre alt ist, zu füllen. Er will Emil seinen leiblichen Eltern zurückbringen. Die Kritik nannte Emil ein "stilistisches Meisterwerk des begabten jungen Autors".

'Der beste Roman, der je über das Laufen

geschrieben wurde.' Runner's World John L. Parker hat als Anwalt, Journalist und Redenschreiber gearbeitet. Als Läufer hat er zahlreiche Titel gewonnen. Er lebt in Gainesville, Florida, und Bar Harbor, Maine.

Patong Routledge

Nationalism is a mighty force in the 21st century. It has not been so politically significant since prior to World War I. While current trends tilt toward regional economic groupings, national identity—and demands for greater political and economic autonomy—has created a national, regional, and international groundswell since the end of the Cold War. An expanded sequel to Minahan's award-winning guide to some 200 groups, *Nations Without States: A Historical Dictionary of Contemporary*

National Movements (1996), this book provides an easy-to-use, accurate, and up-to-date guide to over 300 developed or emerging national groups worldwide. Providing fuller historical profiles of each group, this is the definitive reference on the nationalism and national groups that helped shape 20th century politics—and will likely shape the politics of tomorrow. Included are numerous new national groups that have emerged since the publication of Minahan's 1996 book. Many of these remain unknown outside of their own regions. Others make headlines. The evolution of each group is traced from its earliest history to the present day, making the book an indispensable reference for those wishing to understand the world's growing multitude of national groups.

Becky Brandon, geborene Bloomwood, ist endlich angekommen – und das nicht nur im Leben und in der Liebe, nein, in Hollywood! Der Rodeo Drive und die Stars: Becky ist in ihrem Element. Und wie kombiniert man seine Leidenschaft

fürs Shoppen mit dem Wunsch, selbst einmal über den roten Teppich zu laufen? Ganz einfach – der Shopaholic wird Stylistin für die Stars. Leichter gesagt als getan, denn die Crème de la Crème von Hollywood ist nicht gerade für jedermann offen. Doch Becky wäre nicht Becky, wenn sie nicht durch verrückte Aktionen auffallen würde. Nein, auch Hollywood kann ihr nicht lange widerstehen ...

Das Echo BRILL

After the French Revolution, Switzerland developed from a country in which German dominated linguistically into a confederation of four officially recognized language groups -- German, French, Italian, Romansh -- concentrated in different geographical areas and marked by distinctive cultures and

lifestyles. Following a historical overview of this development and the social and political institutionalization of the linguistic cleavages, McRae's study examines key elements in the functioning of modern Swiss society: political parties, federal and cantonal institutions, the media, educational and cultural policies, the relation between the linguistic cleavages and class and religion, the attitudes and behaviour of the four language groups to one another. It concludes by reviewing the various explanations advanced to explain the relative social and political stability of Switzerland. This book is the first volume in a projected multi-volume work examining four multilingual Western democracies. The volumes to come will focus on Belgium (scheduled for

publication in 1985), Finland, and Canada.

Ein Sommer in Corona del Mar btb Verlag

At Warburg, Germany, in 1941, four British PoWs find an unexpected means of escape from the horrors of internment when they form a birdwatching society, and embark on an obsessive quest behind barbed wire. Through their

shared love of birds, they overcome hunger, hardship, fear and stultifying boredom. Their quest draws in not only their fellow prisoners, but also some of the German guards, at great risk to them all... Derek Niemann draws on original diaries, letters and drawings, to tell of how Conder, Barrett, Waterston and Buxton were forged by their experiences as POWs into the giants of post war wildlife conservation. Their legacy lives on, in institutions such as the RSPB and the British Wildlife Trust.

"Verwisch die Spuren!": Bertolt Brecht's Work and Legacy Heyne Verlag

This innovative new book is overtly and explicitly about female agency in

eighteenth-century European towns. However, it positions female activity and decisions unequivocally in an urban world of institutions, laws, regulations, customs and ideologies. Gender politics complicated and shaped the day-to-day experiences of working women. Town rules and customs, as well as police and guilds' regulations, affected women's participation in the urban economy: most of the time, the formally recognized and legally accepted power of women – which is an essential component of female agency – was very limited. Yet these chapters draw attention to how women navigated these gendered terrains. As the book demonstrates, "exclusion" is too strong a word for the realities and pragmatism of women's everyday lives. Frequently

guild and corporate regulations were more about situating women and regulating their activities, rather than preventing them from operating in the urban economy. Similarly corporate structures, which were under stress, found flexible strategies to incorporate women who through their own initiative and activities put pressure on the systems. Women could benefit from the

contradictions between moral and social unwritten norms and economic regulations, and could take advantage of the tolerance or complicity of urban authorities towards illicit practices. Women with a grasp of their rights and privileges could defend themselves and exploit legal systems with its loopholes and contradictions to achieve economic independence and power.
