New York Times Bestseller In the most
ambitious one-volume American history in
decades, award-winning historian and New
Yorker writer Jill Lepore offers a
magisterial account of the origins and rise
of a divided nation, an urgently needed
reckoning with the beauty and tragedy of
American history. Written in elegiac prose,

Lepore's groundbreaking investigation
places truth itself—a devotion to facts,
proof, and evidence—at the center of the
nation's history. The American experiment
rests on three ideas—"these truths,"
Jefferson called them—political equality,
natural rights, and the sovereignty of the
people. And it rests, too, on a fearless
dedication to inquiry, Lepore argues,
because self-government depends on it.
But has the nation, and democracy itself,
delivered on that promise? These Truths
tells this uniquely American story,
beginning in 1492, asking whether the
course of events over more than five
centuries has proven the nation's truths,
or belied them. To answer that question,
Lepore traces the intertwined histories of

American politics, law, journalism, and
technology, from the colonial town
meeting to the nineteenth-century party
machine, from talk radio to twenty-first-
century Internet polls, from Magna Carta
to the Patriot Act, from the printing press
to Facebook News. Along the way,
Lepore's sovereign chronicle is filled with
arresting sketches of both well-known and
lesser-known Americans, from a parade of
presidents and a rogues' gallery of
political mischief makers to the intrepid
leaders of protest movements, including
Frederick Douglass, the famed abolitionist
orator; William Jennings Bryan, the three-
time presidential candidate and ultimately
tragic populist; Pauli Murray, the visionary
civil rights strategist; and Phyllis Schlafly,

the uncredited architect of modern conservatism. Americans are descended from slaves and slave owners, from conquerors and the conquered, from immigrants and from people who have fought to end immigration. "A nation born in contradiction will fight forever over the meaning of its history," Lepore writes, but engaging in that struggle by studying the past is part of the work of citizenship. "The past is an inheritance, a gift and a burden," These Truths observes. "It can't be shirked. There's nothing for it but to get to know it."

The Significance of the Frontier in American History W. W. Norton & Company

America's History for the AP® Course offers a thematic approach paired with skills-oriented pedagogy to help students succeed in the redesigned AP® U.S. History course. Known for its attention to AP® themes and content, the new edition features a nine part structure that closely aligns with the chronology of the AP® U.S. History course, with every chapter and part ending with AP®-style practice questions. With a wealth of supporting resources, America's History for the AP®

Course gives teachers and students the tools they need to master the course and achieve success on the AP® exam.

Teaching White Supremacy Penguin UK
G. Edward White, a leading legal historian, presents *Law in American History*, a two-volume, comprehensive narrative history of American law from the colonial period to the present. In this first volume, White explores the key turning points in roughly the first half of the American legal system, from the development of order in the colonies, to the signing of the Constitution, to the dissolution of the Union just before the Civil War. Thought-provoking and artfully written, *Law in American History, Vol. 1* is an essential text for both students of law and general readers alike.

The Giant American History Timeline
Oxford University Press

Developed to meet the demand for a low-cost, high-quality history book, this economically priced version of *MAKING AMERICA, Seventh Edition* offers readers the complete narrative while limiting the number of features, photos, and maps. All volumes feature a two-color paperback format that appeals to those seeking a comprehensive, trade-sized history text.

Shaped with a clear political chronology, *MAKING AMERICA* reflects the variety of individual experiences and cultures that comprise American society. For instructors whose classrooms mirror the diversity of today's college students, the clear narrative, together with an integrated program of learning and teaching aids, makes the historical content vivid and comprehensible to students at all levels of preparedness. *MAKING AMERICA* is available in the following options:
CENGAGE ADVANTAGE BOOKS: MAKING AMERICA, Seventh Edition (Chapters 1-29); Volume 1: To 1877 (Chapters 1-15); Volume 2: Since 1865 (Chapters 15-29). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Creating America Wadsworth Publishing Company

The War of 1812 played a critical role in the emergence of an American 'culture of capitalism.' In the Republic Reborn Steven Watts offers a brilliant new interpretation of the war and the foundation of liberal

America. He explores the sweeping changes that took place in America between 1790 and 1820--the growth of an entrepreneurial economy of completion, the development of a liberal political structure and ideology, and the rise of a bourgeois culture of self-interest and self-control.

Making America: A History of the United States, Volume 2: From 1865, Brief Harper Collins

This hugely influential work marked a turning point in US history and culture, arguing that the nation's expansion into the Great West was directly linked to its unique spirit: a rugged individualism forged at the juncture between civilization and wilderness, which – for better or worse – lies at the heart of American identity today. Throughout history, some books have changed the world. They have transformed the way we see ourselves – and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives – and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook

civilization and helped make us who we are.

America's History: for the AP® Course Cengage Learning

This Primary Source Edition provides 1 to 2 primary sources per chapter, tied to the chapter's content, with critical thinking questions for each source -- at no additional cost to your students. A condensed version of *The American People, Seventh Edition*, this engaging text examines U.S. history as revealed through the experiences of all Americans, both ordinary and extraordinary. With a thought-provoking and rich presentation, the authors explore the complex lives of Americans of all national origins and cultural backgrounds, at all levels of society, and in all regions of the country. A vibrant four-color design and compact size make this book accessible, convenient, and easy-to read.

United States History and Geography, Student Edition Touchstone

NOTE: This Revel Combo Access pack includes a Revel access code plus a loose-leaf print reference (delivered by mail) to complement your Revel experience. In addition to this access code, you will need a course invite link, provided by your instructor, to register for and use Revel.

American History, Volume 1 McDougal Littel
 #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD WINNER • A dramatic expansion of a groundbreaking work of journalism, *The 1619 Project: A New Origin Story* offers a profoundly revealing vision of the American past and present. FINALIST FOR THE KIRKUS PRIZE • ONE OF THE BEST BOOKS OF THE YEAR: *The Washington Post*, NPR, *Esquire*, *Marie Claire*, *Electric Lit*, *Ms. magazine*, *Kirkus Reviews*, *Booklist* In late August 1619, a ship arrived in the British colony of Virginia bearing a cargo of twenty to thirty enslaved people from Africa. Their arrival led to the barbaric and unprecedented system of American chattel slavery that would last for the next 250 years. This is sometimes referred to as the country's original sin, but it is more than that: It is the source of so much that still defines the United States. *The New York Times Magazine's* award-winning "1619 Project" issue reframed our understanding of American history by placing slavery and its continuing legacy at the center of our national narrative. This new book substantially expands on that work,

weaving together eighteen essays that explore the legacy of slavery in present-day America with thirty-six poems and works of fiction that illuminate key moments of oppression, struggle, and resistance. The essays show how the inheritance of 1619 reaches into every part of contemporary American society, from politics, music, diet, traffic, and citizenship to capitalism, religion, and our democracy itself. This is a book that speaks directly to our current moment, contextualizing the systems of race and caste within which we operate today. It reveals long-glossed-over truths around our nation's founding and construction—and the way that the legacy of slavery did not end with emancipation, but continues to shape contemporary American life. Featuring contributions from: Leslie Alexander • Michelle Alexander • Carol Anderson • Joshua Bennett • Reginald Dwayne Betts • Jamelle Bouie • Anthea Butler • Matthew Desmond • Rita Dove • Camille T. Creating an American Culture, 1775-1800
 Penguin

President Franklin Roosevelt told Americans in a 1936 fireside chat, "I do not look upon these United States as a finished product. We are still in the making." These United States builds on this foundation to present a readable, accessible history of the United States throughout the twentieth century—an ongoing and inspiring story of great leaders and everyday citizens marching, fighting, voting, and legislating to make

the nation's promise of democracy a reality for all Americans. In the college edition of *These United States*, Gilmore and Sugrue seamlessly weave insightful analysis with all of the support tools needed by students and instructors alike, including paired primary source documents, review questions, key terms, maps, and figures in a dynamic four-color design.

The Creation of the American Republic, 1776-1787 Cengage Learning
 A peer-reviewed open U.S. History Textbook released under a CC BY SA 3.0 Unported License.

Eyewitness Pearson
 La 4e de couverture indique : "With a rich and thought-provoking presentation, *The American People* focuses on the history and experiences of Americans, both ordinary and extraordinary, of diverse national origins and cultural backgrounds, at every level of society, and in each region of the country. Long regarded as the book that best represents the history of the common people, this well-rounded portrait of American history goes beyond the simple facts to explore the complex social implications of history in all aspects

of American life."

Making America Cengage Learning
 The seventh edition of the *Encyclopedia of American History* updates this indispensable and classic reference book to cover the history of the United States from pre-Columbian times through the first year of the Clinton Administration. Unequaled in the amount of information contained within a single volume, and designed to be read as a narrative, the *Encyclopedia* chronicles all the essential facts of American history, from government and politics to science, thought and culture. The *Encyclopedia* is divided onto four parts: Part 1: "THE BASIC CHRONOLOGY" presents the main political and military events in the history of the United States, beginning with the era of discovery. It has been updated to reflect newly discovered facts and modern perspectives on domestic and foreign affairs. Part 2: "THE TOPICAL CHRONOLOGY" records the nonpolitical aspects of American life and has been extensively revised to include a newly titled section "Land, Natural Resources, Energy and the Environment," as well as updated sections dealing with the

American economy. A few of the topics covered in this section are the fine arts, religion, medicine, education, television and radio, immigration, population, United States expansion and Supreme Court decisions. Part 3: "NOTABLE AMERICAN BIOGRAPHIES" contains profiles of 450 influential Americans from all walks of life and their outstanding achievements. Part 4: "THE STRUCTURE OF FEDERAL GOVERNMENT" includes tables of U.S Presidents and their cabinets, party strength in Congress from 1789, and Supreme Court justices, as well as the complete texts of the Declaration of Independence and the Constitution of the United States. Jeffrey B. Morris, is professor of law at the Jacob D. Fuchsberg Law Center of Touro College. Associate editor for the last two revised editions of the Encyclopedia of American History, Morris is the author of over a dozen books, including *Federal Justice in the Second Circuit and To Administer Justice on Behalf of All the People: The United States District Court for the Eastern District of New York, 1965-1990*. He has been professor of political science at City College of the City University of New York and the University

of Pennsylvania and visiting professor of law at the Brooklyn Law School. From 1976 to 1981 Morris served as the chief research associate to Chief Justice Warren E. Burger in Burger's role as head of the federal court system. Richard B. Morris, (1904-1989) was Gouverneur Morris Professor of History at Columbia University and past president of the American Historical Association. Morris wrote more than 40 books spanning legal, labor, diplomatic, political and social history, including *The Peacemakers: The Great Powers and American Independence*, *The Forging of the Union 1781-1789*, *Witnesses at the Creation*, *Government and Labor in Early America* and *Studies in The History of American Law*. He lectured throughout the world, serving as Fulbright Research Professor at the Sorbonne and Distinguished Professor at the John F. Kennedy Institute of the Free University of Berlin.

History in the Making W. W. Norton & Company

One of the half dozen most important books ever written about the American Revolution.--New York Times Book Review "During the nearly two decades since its

publication, this book has set the pace, furnished benchmarks, and afforded targets for many subsequent studies. If ever a work of history merited the appellation 'modern classic,' this is surely one.--William and Mary Quarterly "[A] brilliant and sweeping interpretation of political culture in the Revolutionary generation.--New England Quarterly "This is an admirable, thoughtful, and penetrating study of one of the most important chapters in American history.--Wesley Frank Craven

Is This Tomorrow Addison-Wesley Longman

This highly visual survey of American history introduces students to the key features of American political, social, and economic history in an exciting format designed to ignite students passion to know history. The American Journey, Brief Edition provides students with the most support available in reading, thinking, and applying the material they are learning in the text and in lecture. A series of pedagogical aids, in text and out of class study companions, as well as complete instructor presentational and assessment support make this text the perfect choice

for those looking to make history come alive for their students. The path that led the authors to *The American Journey* began in the classroom with their students. The goal of this text is to make American history accessible to students. The key to that goal--the core of the book--is a strong, clear narrative and a positive theme of *The American "Journey."* American history is a compelling story that the authors tell in an engaging, forthright way, while providing students with an abundance of tools to help them absorb that story and put it into context. This text combines political and social history, to fit the experience of particular groups into the broader perspective of the American past, to give voice to minor and major players alike, because the history of America is in the stories of its people.

Why You Can't Teach United States History

without American Indians The Capitol Net Inc

This is Volume I (chapters 1-15) of *WE THE PEOPLE*. Crafted from the ground up to be a "brief" U.S. History text (rather than a condensed version of a larger text), *WE THE PEOPLE* tells the story of America through five recurring, interwoven themes: (1) the role of interacting cultures in the development of the American nation; (2) the social/cultural environment's interaction with political forces; (3) the evolution of a national identity; (4) changing cultural values; and (5) individuals' attempts to impose order on physical place and chronological time. Frequent quotations from individuals at all levels of society make this text well-rounded in its presentation of social and cultural history. In addition, each chapter opens with a story that features a longer quotation that illuminates the topics,

events, and themes explicated in that chapter. *WE THE PEOPLE* is available in the following split options: *WE THE PEOPLE, Complete, First Edition* (Chapters 1-30), ISBN: 0534593550; *WE THE PEOPLE, Volume I to 1877* (Chapters 1-15), ISBN: 0534593569; *WE THE PEOPLE, Volume II, Since 1865* (Chapters 15-3), ISBN: 0534593577.

Making America: A History of the United States, Volume 1: To 1877, Brief B&H Publishing Group

Originally published in the midst of the cold war, *Is This Tomorrow* is a classic example of red scare propaganda. The story envisions a scenario in which the Soviet Union orders American communists to overthrow the US Government. Charles Schulz contributed to the artwork throughout the issue. Reprinted here for the first time in 70 years.
