Spaziergänge in Paris 7: Picknick am Canal Saint-Martin Rowman & Littlefield

This is the first edition of this book. The updated second edition will be available shortly. Please only buy this one if you want the now-outdated first edition. This guide features hundreds of species of animal from the Caribbean island of Saint Martin (Sint Maarten). It includes mammals, birds, reptiles, amphibians, insects and other invertebrates with over 400 color photographs.

Paris Like a Local Rick Steves

The examples convey not only these major themes but also the painters' belief in the progress of civilization through science and industry. The book thus expands the scope of Impressionist celebrations of modernity to include what might be called Impressionism's "other landscape" and proposes that in the Impressionists' effort to forge a modern landscape art, those signs of modernity defined their vision most clearly."--BOOK JACKET.

Through the French Canals Grasset

"[Tramuta] draws back the curtain on the city's hipper, more happening side—as obsessed with coffee, creativity, and brunch as Brooklyn or Berlin." —My Little Paris The city long-adored for its medieval beauty, old-timey brasseries, and corner cafés has even more to offer today. In the last few years, a flood of new ideas and creative locals has infused a once-static, traditional city with a new open-minded sensibility and energy. Journalist Lindsey Tramuta offers detailed insight into the rapidly evolving worlds of food, wine, pastry, coffee, beer, fashion, and design in the delightful city of Paris. Tramuta puts the spotlight on the new trends and people that are making France's capital a more whimsical, creative, vibrant, and curious place to explore than its classical reputation might suggest. With hundreds of striking photographs that capture this fresh, animated spirit—and a curated directory of Tramuta's favorite places to eat, drink, stay, and shop—The New Paris shows us the storied City of Light as never before. "The author's vibrant and precise command of English frames this lively collection of insights about cultural change and stories regarding multiple chefs and merchants." —Forbes "As the culinary scene in Paris evolves, a new palate of flavors and styles of eating have emerged, redefining what is 'French cuisine.' The New Paris documents these changes through the lens of bakers, coffee roasters, ice cream makers, chefs, and even food truck owners. A thoughtful, and delicious, look at how Paris continues to delight and excite the palates of visitors and locals." —David Lebovitz, author of *My Paris Kitchen*

Impressionism and the Modern Landscape creaphis editions

At the age of twenty-eight, stuck in a dead-end job in London, and on the run from a broken heart, Bryce Corbett takes a job in Paris, home of l'amour and la vie boheme; he is determined to make the city his own—no matter how many bottles of Bordeaux it takes. He rents an apartment in Le Marais, the heart of the city's gay district, hardly the ideal place for a guy hoping to woo French women. He quickly settles into the French work/life balance with its mandatory lunch hour and six weeks of paid vacation. Fully embracing his newfound culture, Corbett frequents smoky cafes, appears on a television game show, hobnobs with celebrities at Cannes, and attempts to parse the nuances behind French politics and why French women really don't get fat. When he falls in love with a Parisian showgirl, he realizes that his adopted city has become home. As lively and winning as Peter Mayle's *A Year in Provence* and Sarah Turnbull's *Almost French*, *A Town Like Paris* evokes the beauty, delights, and charms of Paris for an ever-eager audience of armchair travelers. From the Trade Paperback edition.

As portable as a map but as informative as a guide, these hybrid Bonjour city map-guides by globe-trotting filmmaker Marin Montagut offer his curated recommendations for shopping, dining, and attractions. The Bonjour pocket-sized map-guides—made of water-resistant, tear-proof paper—feature rare and soulful places that exude an enviable je ne sais quoi. From bakeries to taco trucks, bicycle rentals to antiques shops, or boutiques to toy stores, each recommendation includes a succinct anecdote, tip, or description—illustrated by Marin Montagut's watercolor travel sketches—to tempt bon vivants everywhere. In Bonjour Paris, say "bon appétit!" in an authentic bistro, stock your kitchen with artisanal knives, or track down a vintage Chanel bag. Featured districts include the heart of Paris (1st/2nd); Pigalle and Montmartre (9th/18th); the Marais (3rd/4th); Saint-Germain-des-Prés (5th/6th); Canal Saint-Martin (10th); and Bastille and Oberkampf (11th/12th/20th)

Harper's New Monthly Magazine Ulysse

The Architecture Lover's Guide to Paris New York Review of Books

Experience authentic Tokyo with this insider's e-guide Home to glimmering skyscrapers, timeless traditions, and one of the world's most exciting art scenes, this trendy city is endlessly enticing. But beyond the monumental Tokyo Tower and lavish Imperial Palace lies the real Tokyo: a whole other realm waiting to be explored. We've spoken to the city's locals to unearth the coolest hangout spots, hidden gems, and personal favorites to ensure you travel like a local. Join the after-work crowd in the ultimate karaoke sing-along, eat and drink into the night at a tiny Japanese tavern, and get your geek on shopping at treasure troves of anime merch. Whether you're a local looking to uncover your city's secrets or seeking an authentic experience beyond the tourist track, this stylish e-guide makes sure you experience Tokyo beneath the surface.

A Paris Paris Animal World

This fun book is a perfect stocking stuffer, the perfect book to take to Paris to use for a scavenger hunt, and perfect for the armchair traveler who loves trivia. There are more than 400 multiple-choice questions, by arrondissement, ranging from obscure lore to facts about well-known buildings, streets, and statues with fascinating and often humorous histories. Here's a sample: What color are all the illuminated signs on the Champs-Élysées? A) Blue B) Green C) White C: They are required to be white. Advertisers and merchants must conform to the decision of uniformity taken in the interest of aesthetics. Even McDonald's had to swap its yellow M for a white one, making it the only exception in the world. Only pharmacies are allowed to break the rule. In 1836 the fgglise Saint-Cosme was demolished to make room on the boulevard Saint-Michel. The construction unearthed remains from an old cemetery adjoining the church. What was peculiar about it? A) It was an animal cemetery B) It was a cemetery for clergy C) It was a cemetery for hunchbacks C: The church and its cemetery were located between the rue Racine and the rue des fcoles, on the current site of the Gibert bookstore. Using the shape of the remains (most of the exhumed spinal columns were curved and presented malformations), it was deduced that it was a cemetery for hunchbacks.

Fodor's Inside Paris Penguin

Discover the hidden secrets of Paris, the city of lights, with this fantastic city guide that will have you vacationing like a local in no time at all Whether you're a first time to the city of love, or a returnee to Paris, this is the perfect guide to an authentic experience from a local's perspective. No matter how often you've been to Paris, this stylist guide will help you discover even more authentic experiences in this magical city This one-of-a-kind travel guide to Paris includes: • Two-color, bold modern design with contemporary illustrations throughout • Narrative style throughout, making the local, personal voice central to every entry • Structured by six themes and subsequent sub-themes, rather than areas, to echo how people are traveling, rather than where. Themes include Eat, Drink, Shop, and more! • Each entry includes its unique address so readers can pinpoint precisely where they are heading • Each theme ends with a tour spread, dedicated to a specific interest or experience. For example, "An Atypical Arty Afternoon" and "A Night Out Along the Seine" • Created keeping in mind readers traveling in a post-Covid world Experience France's capital like a true Parisian Home to cutting-edge haute cuisine, vibrant little cafes, elegant river-side gardens, and a shopping scene like no other, this charming city is bathed in style and romance! Go beyond the Eiffel Tower and the Louvre and unearth the secret side of the city. Who better to guide you to it than locals? From the best pâtisseries and wine bars to dreamy viewpoints and modern art spaces, this Paris guidebook will help you find all the local's favorite hangout spots and hidden haunts. Dine alfresco at a cute café in the Marais, cycle along the tree-lined Canal Saint-Martin, and bargain for vintage treasures at the city's beloved flea markets. More in the series From New York and London to San Francisco and Tokyo, there are more places to discover with these niche local guides! Written by the people who call it home, the Like A Local series from DK takes you beyond the tourist track to experience the heart and soul of each city!

A Town Like Paris Sheridan House, Inc.

NEW YORK TIMES EDITORS' CHOICE • A panoramic revisionist portrait of the nineteenth-century invention that is transforming the twenty-first-century world "The real feat of this book is that it takes us on a ride—across the centuries and around the globe, through startling history and vivid first-person reporting."—Patrick Radden Keefe, New York Times bestselling author of *Empire of Pain* The bicycle is a vestige of the Victorian era, seemingly at odds with our age of smartphones and ride-sharing apps and driverless cars. Yet we live on a bicycle planet. Across the world, more people travel by bicycle than any other form of transportation. Almost anyone can learn to ride a bike—and nearly everyone does. In *Two Wheels Good*, journalist and critic Jody Rosen reshapes our understanding of this ubiquitous machine, an ever-present force in humanity's life and dream life—and a flash point in culture wars—for more than two hundred years. Combining history, reportage, travelogue, and memoir, Rosen's book sweeps across centuries and around the globe, unfolding the bicycle's saga from its invention in 1817 to its present-day renaissance as a "green machine," an emblem of sustainability in a world afflicted by pandemic and climate change. Readers meet unforgettable characters: feminist rebels who steered bikes to the barricades in the 1890s, a prospector who pedaled across the frozen Yukon to join the Klondike gold rush, a Bhutanese king

who races mountain bikes in the Himalayas, a cycle-rickshaw driver who navigates the seething streets of the world's fastest-growing megacity, astronauts who ride a floating bicycle in zero gravity aboard the International Space Station. *Two Wheels Good* examines the bicycle's past and peers into its future, challenging myths and clichés while uncovering cycling's connection to colonial conquest and the gentrification of cities. But the book is also a love letter: a reflection on the sensual and spiritual pleasures of bike riding and an ode to an engineering marvel—a wondrous vehicle whose passenger is also its engine.

Paris and the French Fodor's Travel

It-girl au demi-million de followers, Jeanne Damas est considérée comme l'incarnation de La Parisienne. De Vogue à Marie-Claire en passant par Elle, et de New York à Paris en passant par l'Asie, les journalistes n'ont cessé de l'interroger sur ce qui fait d'elle la nouvelle figure de la mythique Française. Ce à quoi elle répond qu'il y a autant de Parisiennes que de femmes vivant à Paris. C'est le point de départ de ce livre. Non pas essayer de décrypter pour la énième fois « La Parisienne », souvent aussi peu réelle qu'une légende peut l'être, mais faire le portrait de vingt d'entre elles, dont chacune incarne à sa manière l'élégance, la désinvolture, le charme et l'esprit de la légendaire femme de Paris. Écrit par la journaliste et féministe Lauren Bastide (suivie par 30 000 personnes) et illustré de photos prises par Jeanne Damas, à Paris offre à lire vingt portraits de Parisiennes d'origines, d'âges, de parcours et de quartiers différents, dont les destins sont une ode à la ville qu'elles habitent et la vie qu'elles y mènent. Elles ont de 14 à 70 ans, sont réalisatrice, auteur, libraire, militante ou antiquaire, vivent dans des chambres de bonne, des appartements ou sur une péniche, et elles nous ouvrent les portes de chez elles pour nous faire sillonner Paris et découvrir leurs vies. Croqué avec grâce et talent, chaque portrait est accompagné de 4 à 6 photos en couleurs et d'annexes drôles et légères sur l'art de vivre des Parisiennes et les quartiers de la capitale, également illustrées. Les lecteurs y retrouveront de nombreuses photos de Jeanne (réunies pour la première fois dans un livre), des listes de restaurants, de boulangeries, de boutiques ou de vins, et le portrait, en pointillés, des auteurs qui y confient leur style de vie et leur amour des femmes de cette ville.

A Week at Paris. Visit in Six Days of the Twelve Arrondissements, Etc White Owl

Pick a Weekend, Pick a City, and Go! Andy Steves' travel guide picks up where crowdsourcing leaves off, covering the skills you need for spur-of-the-moment trips to Europe's top destinations.
